Date: July 1, 2010

SPONSOR: Ald. Maniaci

DRAFTER'S ANALYSIS: Currently, a landlord may not enter into an apartment to show it to a prospective tenant until one-fourth of the lease period has passed, subject to some exceptions. Additionally, the landlord may not enter into a new lease for the premises until one-fourth (1/4) of the lease period has passed. This amendment will change that time period to one-half (1/2) the lease period and allow the current tenant to have the first option to renew the lease. The effective date of this ordinance is October 22, 2010.
