Marsha,

At the April 7<sup>th</sup> BPW this was referred for I believe 2 months , the real intent was to get to the May 12<sup>th</sup> Parks Comm meeting before BPW action. I am going to the May 12<sup>th</sup> PC meeting – and need this to come back to BPW for approval on June 2<sup>nd</sup> or it will not make it this year. A little short of 2 months but the intent is met – can do?

Thanks

Greg
