Dear Recipient,

I am writing in regard to the proposed addition at **2113 Kendall Ave.(88410)**. The proposed addition appears to be designed to mesh well with the historic structure. My one concern is that (based on the pictures provided) it appears space presently used for parking at the rear of the home will be lost with construction of the addition. Because the property has only a one-car garage, the loss of that parking space could result in additional pressure for parking on Kendall Ave. and the neighborhood. That is my only concern.

Sincerely,

Nelson E. Balke
222 Forest St.
