Re: Letter of Intent
603 S Whitney Way – UDC Informational
KBA Project #2248

Ms. Jessica Vaughn,

The following is submitted together with the plans and application for the Urban Design Commission's Informational Review and consideration:

This proposed project involves the development of the Westgate site located at the future 603 S Whitney Way on the southeast corner of S Whitney way and Tokay Blvd. The proposed project consists of the next building in the Westgate development which will be a 4-story mixed-use building with 166 dwelling units, 2,447 SF of commercial space, 189 underground parking stalls and surface parking.

This project will be market rate units where residents will have access to great amenities both indoors and outdoors. Strong pedestrian connections will be made so that this is an integral part of this community. The proposed design of this building is complementary to the recently completed adjacent multifamily structures. Proposed materials will include masonry and composite siding in both panels and lap siding. The site will be well landscaped and residents will have access to outdoor amenity spaces including a pool, an outdoor grilling and gathering area, a variety of outdoor seating areas and a dog run area. All units will also have their own balconies.

We look forward to collaborating with you on this project and welcome your feedback on these initial concepts.

Thank you for your time reviewing our proposal.

Sincerely,

A handwritten signature in black ink that reads 'Kevin Burow'.
