APPLICATION SIGNATURE

The person/group named in this application will be responsible for the conduct of the group and for the condition of the reserved park area. This permit is subject to all Municipal Ordinances as defined by the City of Madison, in addition to all rules and regulations governing the City's Parks Division. The applicant agrees that during the use of the park facility, the sponsoring organization will not exclude anyone from participation in, deny anyone the benefits of, or otherwise subject anyone to discrimination because of the person's race, color, creed, national origin or handicap.

The applicant has read the Park Events Application packet. The applicant has included all of the appropriate permit applications and materials for this event.

I hereby certify to the best of my knowledge that the information and statements contained in this application are complete and true. I understand that failure to report components of this event/activity may result in the loss of deposit, revocation of permit and/or failure to secure future permits.

Signature [Signature] Date 1/17/14

Trample the Trails Series

A trail race series that consists of four races from the middle of summer through fall. The races will be held on 100% on trails utilizing Elver Park, Lake Farm Park, Donald Park, and Pheasant Branch Conservancy. The dates are tentatively set for July 13th, August 10th, September 21st, and October 12th.

The Trample the Trails Series looks to fill the gap in the Madison area that is missing from those popular races above, accessible shorter distance trail runs that are only minutes away. The Trample the Trails Series will be an average of under 18 minutes from the center of Madison with locations strategically placed on all sides so that everyone has an opportunity to have a short ride.

The distance of the Trample the Trails Series will be 5K (3.1 miles), 10K (6.2 miles), and a 2 Mile walk division. This will again promote the popular running distances to people looking for a way off the roads. This is a great addition as trails tend to be less impact, which helps keep people active without the typical running ailments (knee pain, hip pain, etc.) that happen.

The final component of the Trample the Trails Series is one of the most important. We will have a main charitable group or organization that will receive the main donations from the profits of the race. The chosen four are the Parks of Dane County, Gilda's Club, Juvenile Diabetes Research Foundation, and Girls on the Run. Each group is local or has a local chapter specific to the Madison area and has demonstrated a positive impact on the Madison community.

We look forward to seeing you out on the trails!

Jason Koneczny

PARK EVENT AMPLIFICATION PERMIT APPLICATION

By Ordinance, public amplification is not allowed in City Parks except by permission from the Parks Division. Permission for amplification does not exempt a group from Madison Ordinance noise restrictions. Please be considerate of park neighbors and other park users. When notifying the alderperson and neighborhood association (if necessary) about your event, be sure to include detailed information about any plans you have for amplified sound.

EXCERPTS FROM APPLICABLE CITY ORDINANCES

8.29 PUBLIC ADDRESS SYSTEMS IN PARKS.

- (1) No public address systems or sound amplification devices shall be used in any public park within the City of Madison except as permitted by this section. The Parks Superintendent may issue permits in accordance with this section. A permit shall not exempt the holder from the provisions of Sec. 24.08.
- (3) The Superintendent may limit the hours of operation and the location within the park of any such system or equipment so as to insure the benefit of such system or equipment to the group seeking its use and to minimize any unreasonable interference with the peace and enjoyment of other users of the park and those adjacent to such park.
- (5) The Police Department is authorized to require the discontinuance of any such system or equipment operating outside the prescribed hours or location.

24.08 NOISE REGULATION

(2) In the following zoning districts established under Chapter 28 of the Madison General Ordinances, the noise emitted from any source and measured at any point within any distance beyond fifty (50) feet of the property or public right-of-way where the noise is produced or beyond fifty (50) feet from the noise source when such exists on public property shall not exceed the amounts indicated in the following table:

All times—75 dBA

PARK EVENT MARKETING INFORMATION

Conditional approval of the event is required **before** promoting, marketing or advertising the event.

How will this event be marketed, promoted, or advertised? Promoted through Facebook,
Flyers at local stores, and possibly radio

Will there be live media coverage during the event and where will the media vehicles be parked? No

PARKS DIVISION CALENDAR OF EVENTS

The City of Madison Parks Division provides a calendar of events on the internet, in a number of publications and at kiosks located throughout downtown. The information from your permit application is considered public and is used in developing the calendars.

Your event will only be included on the calendars if all permits and applications are approved 60 days in advance (for printed form of calendar) and 30 days in advance (for internet calendar) and your event is open to the public. If this section is not filled out, we will assume you do not want to be included on the calendars.
