

AGENDA # 8

City of Madison, Wisconsin

REPORT OF: LANDMARKS COMMISSION	PRESENTED: 11/16/20
TITLE: Buildings Proposed for Demolition - 2020	REFERRED:
	REREFERRED:
	REPORTED BACK:
AUTHOR: Heather Bailey, Preservation Planner	ADOPTED: POF:
DATED: 11/19/20	ID NUMBER: 58738

Members present were: Anna Andrzejewski, Richard Arnesen, Katie Kaliszewski, David McLean, and Maurice Taylor. Excused were Betty Banks and Arvina Martin.

SUMMARY:

Bailey said that staff recommends a finding of no known historic value for this building, as there is no preservation file or Wisconsin Historical Society site file. Andrzejewski recently walked by the house and said that from a distance, it appeared there have been a lot of changes to the house over time that would affect its integrity, such as replacement windows, changing the window openings, and a rear addition. She said that the building's condition also appeared to be deteriorated. She mentioned that while not part of their jurisdiction, the West Lawn neighborhood is a part of Madison that doesn't have a lot of infill.

ACTION:

A motion was made by McLean, seconded by Taylor, to recommend to the Plan Commission that the building at 2240 Keyes Avenue has no known historic value. The motion passed by voice vote/other.
