Mayor Cieslewicz,

My name is John Kavanaugh, owner and operator of a Madison Original, The Esquire Club; and I am writing to you today on behalf of the Four Lakes Business Council. As chairman of the council I am requesting your utmost support regarding the Industry and Commerce Project. Collectively we anticipate this project to prove itself highly beneficial for the city of Madison by way of land use, job availability, and a probable increase for the Madison tax base.

As current there is a resource of two million dollars in TIF money that would actively create 5,000 to 7,000 job opportunities for individuals living in the Madison area. It is our contention that this is merely a single illustration of the positive effects this project will have on our great city. As active business owners and progressive leaders for this city, we are anxious to acquire your support and to urge not only you and your staff to get involved, but for the entire city council to stand behind this project based on its merits. The city of Madison has been a breakthrough leader for job creation and it is our wish that we continue to do so. Thank you for your time and support as it is immensely appreciated.

Sincerely,

  
John Kavanaugh  
Chairman
