Dear Common Council Member:

On March 14, 2012, the Board of Park Commissioners recommended to the Council that the 2012-2017 Park and Open Space Plan be adopted and included as a supplement to the City of Madison Comprehensive Plan. This plan was introduced to Council for referral on April 10th and was presented to the Board of Public Works on April 18th, the Plan Commission on April 23rd, and May 9th to the Board of Park Commissioners.

The Board of Public Works recommended approval of the Plan without any suggested modifications to the document. The Plan Commission recommended approval of the Plan with several suggested modifications. The Park Commission recommended adoption of the plan with the modifications as presented by staff that address the Plan Commission's concerns.

Attached to this letter are the modifications that were presented to the Park Commission that will be incorporated into the adopted 2012-2017 Park and Open Space Plan, pending Common Council approval.

If you have any questions about the draft Plan please feel free to contact Kay Rutledge at 266-4714 or Sarah Lerner at 261-4281. We look forward to discussing the Plan with you.

Sincerely,

Kevin Briski, Parks Superintendent
