The Alliance windows will be double hung with 2 grills in upper stash. All windows will have low E, Argon gas and full screens. Cover outside wood trim around windows with aluminum. Secure building permit and clean-up and dispose of debris.~~

~~**Material, tax and labor: \$~~2,000.00~~**~~

Time and materials at a rate of \$45.00 per hour to replace any rotten boards, if needed.

Bid Good for 30 Days

10 year workmanship warranty.

Certificate of Insurance Provided Upon Request.

Our Workers are Covered By Workman's Compensation Insurance.

TOTAL DUE IN FULL UPON COMPELITION OF CONTRACT.

Terms: No Finance charge is made on accounts paid within 30 days. Accounts not paid in 30 days will be charged 1 1/2 % FINANCE CHARGE which is an ANNUAL PERCENTAGE RATE of 18% and lawyer fees.

This Proposal is for completing the job as described above. It is based on our evaluation and does not include material price increases or additional labor and materials which may be required should unforeseen problems or adverse weather conditions arise after the work has started. This proposal becomes a contract upon the customer's signature.

As required by the Wisconsin Lien law, contractor hereby notifies Customer that Parties furnishing labor or materials for the construction on Owner's land may have lien rights on Owner's land and improvements if not paid. Those entitled to lien rights, in addition to contractor, are those who contract directly with the owner or those who give notice within 60 days after they first furnish labor or materials for the construction, and should give a copy of each notice received to his Mortgage Lender, if any. Contractor agrees to cooperate with Owner and his lender, if any to see that all potential lien Claimants are duly paid.

7/8" Exterior Aluminum Colonial

7/8" Exterior Aluminum Putty

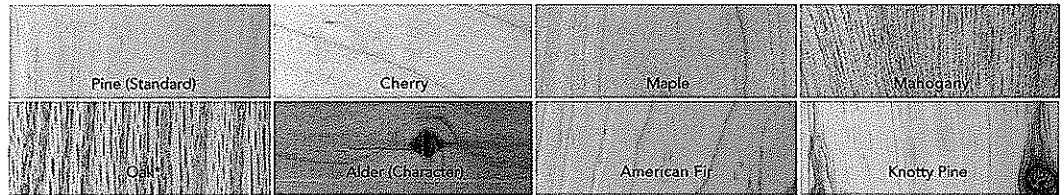

7/8" Interior Wood Colonial

7/8" Interior Wood Putty

CUSTOM WOOD INTERIORS COLLECTION®

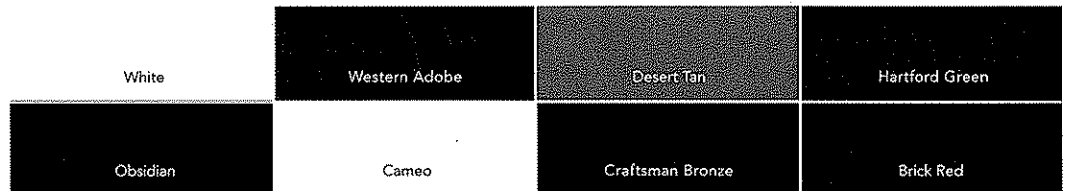

We offer an entire collection of wood species, so you can coordinate your windows with the cabinets, furniture, wood floors, and trim throughout your home. Pine finish is standard and comes natural, primed, or prefinished.

EXTERIOR COLORS

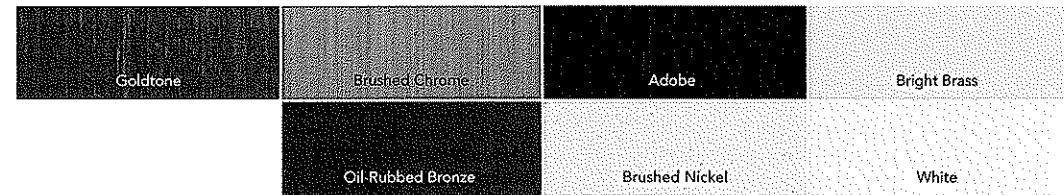

Our exclusive Accentials™ Distinctive Colors & Finishes program offers a choice of eight standard colors, 47 designer colors, or virtually any custom color under the sun. Eight anodized aluminum exterior finishes are also available.

Accentials™ Standard Colors

HARDWARE

Custom Shield windows feature premium metal hardware in your choice of popular finishes.

Exterior and hardware colors shown may not be accurate representations. The color and grain of natural wood varies. Color and grain shown may not be accurate representations. Samples are available upon request.

*We reserve the right to substitute ash for oak. These two hardwoods are virtually identical in color, texture, grain variation and finishing characteristics.

Innovative performance.

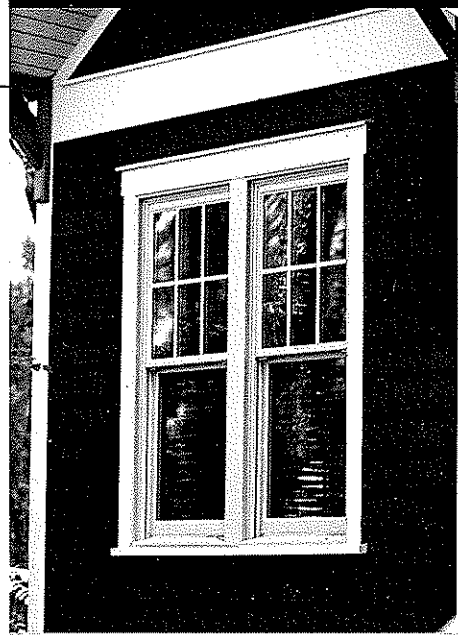

Replacement Windows

ENJOY THE COMFORT AND ENERGY SAVINGS

Custom Shield windows and patio doors are more than beautiful, they offer unprecedented energy efficiency. Featuring Zo-e-shield glass—the most energy-efficient glass systems ever made—they can reduce your heating and cooling costs up to 30%*. That's an average savings of \$600 a year.

*Savings are relative to a double-pane clear glass window. Based on a national average size house (2,300 sq. ft., 2-story), with 18% window to floor area ratio, 15% shade usage, gas heat and electric air conditioning. Long-term national average energy prices of \$1 per therm for natural gas and \$0.09 per kWh electric. Actual savings will vary by climate region, house type, homeowner operational characteristics, and local energy prices.

ZO-E-SHIELD 5 AND 6: THE DESIGN MAKES THE DIFFERENCE

- Multiple layers of Low E coatings optimize energy efficiency
- Inert gas-filled airspace** enhances thermal performance
- Real Warm Edge® spacer minimizes heat loss and condensation
- EasyCare™ coating keeps windows cleaner longer
- Blocks 95% to 99% of the sun's damaging UV rays
- Laminated interlayer enhances safety, security and sound control (Zo-e-shield 6 only)

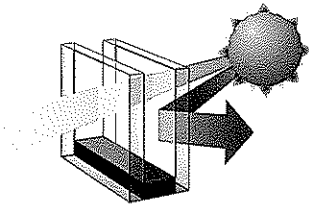

**Not available in all states. Please check with your Custom Shield dealer for availability.

EXPAND YOUR OPTIONS

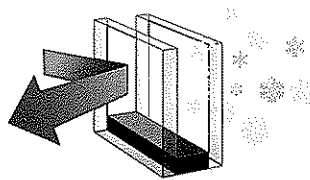

Home improvement is all about the right options and that's why we also offer the Weather Shield line of products. With the Weather Shield line, you can do more than replace your existing window or door—you can change the feel of your room by expanding openings or adding specialty shaped windows.

Custom Shield and Weather Shield replacement windows and patio doors are available with your choice of premium options, including hardwood interiors and decorative grilles (see page 4).

A MORE COMFORTABLE HOME

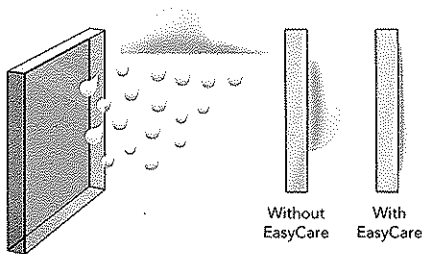

During the summer, Zo-e-shield reflects the sun's heat, keeping rooms cooler.

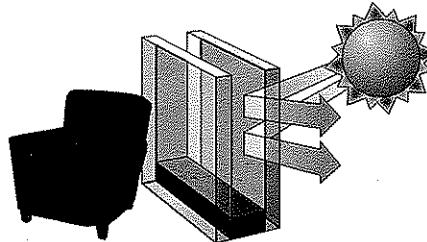

During the winter, Zo-e-shield minimizes heat loss, keeping rooms warmer.

A CLEANER HOME

Zo-e-shield glass is specially treated with an exterior EasyCare™ coating that reduces the buildup of dirt and water spots. Windows are easier to clean, and stay cleaner longer.

A BRIGHTER HOME

Zo-e-shield blocks 95% to 99% of the sun's UV rays—without the use of light-obscuring tints—to protect your furnishings from fading.
