Section 3. Terms of the Bonds.

The Bonds shall be designated “Subordinate Water Utility Revenue Bonds, Series 2026”; shall be dated the Original Issue Date; shall be numbered one and upward; shall bear interest at the rate of 2.365% per annum, calculated on the basis of a 360-day year made up of twelve 30-day months; shall be issued in denominations of \$0.01 or any multiple thereof; and shall mature on May 1 in the years and in the amounts as set forth in Exhibit B of the Financial Assistance Agreement and in the form of Bond attached hereto as Exhibit A. Interest on the Bonds shall be payable semiannually on May 1 and November 1 of each year, commencing November 1, 2026. The Bonds shall not be subject to redemption prior to maturity except as provided in the Financial Assistance Agreement.

The schedule of maturities of the Bonds is found to be such that the amount of annual debt service payments, taking in to account the debt service payments on the Senior Bonds and the Outstanding Bonds, is reasonable in accordance with prudent municipal utility practices.

Section 4. Form, Execution, Registration, and Payment of the Bonds.

The Bonds shall be issued as registered obligations in substantially the form attached hereto as Exhibit A and incorporated herein by this reference.

The Bonds shall be executed in the name of the Municipality by the manual signatures of the Mayor and the Clerk of the Municipality and shall be sealed with its official or corporate seal, if any.

The principal of, premium, if any, and interest on, the Bonds shall be paid by the Municipal Treasurer, who is hereby appointed as the Bond Registrar.

Payment of principal of the final maturity on the Bonds will be payable upon presentation and surrender of the Bonds to the Bond Registrar. Payment of principal on the Bonds (except the final maturity) and each installment of interest shall be made to the registered owner of each Bond who shall appear on the registration books of the Municipality (the “**Register**”), maintained by the Bond Registrar, on the Record Date and shall be paid by electronic money transfer or by check of the Municipality, sent by

Each Bond is transferable only upon the Register at the office of the Bond Registrar, by the registered owner in person or its duly authorized attorney, upon surrender of the Bond, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Bond Registrar, duly executed by the registered owner or its duly authorized attorney. Thereupon a replacement Bond shall be issued to the transferee in exchange therefor. The Municipality may deem and treat the person in whose name each Bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of the principal or interest hereof and for all other purposes.

Section 5. Security for the Bonds.

The Bonds, together with interest thereon, shall not constitute an indebtedness of the Municipality nor a charge against its general credit or taxing power. The Bonds, together with interest thereon, shall be payable only out of the Debt Service Fund affirmed and continued hereunder, and shall be a valid claim of the registered owner or owners thereof only against such Debt Service Fund and the revenues of the System pledged to such fund, junior and subordinate to the pledge of Net Revenues in the Special Redemption Fund (as defined in the Senior Resolutions) granted to the owners of the Senior Bonds, and on a parity and equality of rank with the Outstanding Bonds. Sufficient revenues of the System are hereby pledged to the Debt Service Fund and shall be used for no other purpose than to pay the principal of, premium, if any, and interest on the Bonds, the Outstanding Bonds, and any Parity Bonds as the same become due.

Section 6. Funds and Accounts.

In accordance with the Act, for the purpose of the application and proper allocation of the revenues of the System, and to secure the payment of the principal of, premium, if any, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds, the Municipality affirms, continues, and creates, as applicable, the following funds and accounts of the System, some of which were originally created, continued, or renamed, as applicable, under Section 34 of the 2007 Resolution and continued under the remaining Senior Resolutions, and some of which were originally created under Section 6 of the 2023 Resolution (collectively, the “**Funds and Accounts**”), to provide for the collection, distribution, and use of the Gross Revenues and proceeds of the Bonds, which shall be used solely for the following respective purposes:

- (a) Water Utility Revenue Fund (the “**Revenue Fund**”), into which shall be deposited as received the entire Gross Revenues of the System after deduction of amounts required by the Senior Resolutions to be deposited in the funds and accounts for the Senior Bonds, which money shall then be divided among the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund, and from the Surplus Fund to the Debt Service Fund in the amounts and in the manner set forth in Section 7 hereof and used for the purposes described below.

(b) Water Utility Operation and Maintenance Fund (the “**Operation and Maintenance Fund**”), which will be used to hold amounts expected to be used for the payment of the reasonable and necessary expenses of operating and maintaining the System, including salaries, wages, materials, supplies, and insurance, unless the balance in the Operation and Maintenance Fund exceeds the estimated operating and maintenance expenses of the System for the next succeeding 90 days, in which case the excess amount, (i) after deduction of amounts required by the Senior Resolutions to be deposited in the funds and accounts for the Senior Bonds must be transferred to the Debt Service Fund to remedy any deficiency in the Debt Service Fund, and (ii) if or to the extent that no such deficiency exists, then the remaining excess amount may be transferred to the Surplus Fund.

(c) Water Utility Special Redemption Fund (the “**Special Redemption Fund**”), which is divided into the following three accounts: (i) the “Interest and Principal Account”, (ii) the “Earnings Account”, and (iii) the “Reserve Account.” Amounts held in the Interest and Principal Account and the Earnings Account will be used only to pay principal of, and premium, if any, and interest on, the Senior Bonds and any Senior Parity Bonds. Amounts held in the Reserve Account will be used to pay principal of, or interest on, the Senior Bonds and any Senior Parity Bonds on any date when amounts in the Interest and Principal Account and the Earnings Account are insufficient to make such payments as provided in the Senior Resolutions.

(d) Water Utility Depreciation Fund (the “**Depreciation Fund**”), which will be used to hold amounts expected to be used to pay for repairs, replacements, extensions, or additions to the System, *provided*, that amounts in the Depreciation Fund can be used only if such amounts are not needed to make up any deficiency in the Interest and Principal Account or the Reserve Account described in (c) above, and the deposit to the Debt Service Fund for the payment of the Bonds, the Outstanding Bonds, and Parity Bonds.

(e) Water Utility Surplus Fund (the “**Surplus Fund**”), which shall be applied (i) *first*, as required by the Senior Resolutions, to pay principal of, and interest on, the Senior Bonds and any Senior Parity Bonds when the Special Redemption Fund for the Senior Bonds is insufficient for that purpose, and to remedy any deficiency in any of the Funds and Accounts as described in the Senior Resolutions, and (ii) *second*, as required by the Junior Resolutions, to make deposits to the Debt Service Fund described in (f) below to provide for the payment of the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as the same becomes due, and to remedy any deficiency in any of the Funds and Accounts. Notwithstanding the provisions of the Senior Resolutions, amounts in the Surplus Fund shall not be used for any other purpose except to the extent such amounts are in excess of the amounts required to pay the principal of, and interest coming due on, the Senior Bonds, any Senior Parity Bonds, the Bonds, the Outstanding Bonds, and any Parity Bonds on their next respective interest payment dates. If at the close of any Fiscal Year there is no such deficiency, then such amounts may be disbursed as follows:

(i) to retire the Bonds, the Outstanding Bonds, or any Parity Bonds in advance of maturity by redemption; or

(ii) to rebate payments made by customers of the System pursuant to any plan adopted by the Governing Body of the Municipality; or

(iii) to the general fund of the Municipality.

(f) Water Utility Subordinate Special Redemption Fund (the “**Debt Service Fund**”), which shall be used for the payment of the principal of, premium, if any, and interest on the Bonds, the Outstanding Bonds, and Parity Bonds as the same become due.

(g) 2026 Water Utility SDWLP Project Fund (the “**2026 Water Utility SDWLP Project Fund**”), which shall be used for the purpose of paying the costs of the Project as described in Section 13 hereof.

(h) 2026 Rebate Fund (the “**2026 Rebate Fund**”), which shall be used for the purpose of paying any rebate liability with respect to the Bonds as described in Section 16 hereof.

The Special Redemption Fund created under the Senior Resolutions for the Senior Bonds, including the Earnings Account and the Reserve Account therein, is not pledged to the payment of principal of or interest on the Bonds, the Outstanding Bonds, or any Parity Bonds, and amounts on deposit in the Special Redemption Fund shall not be used for the payment of principal of or interest on the Bonds, the Outstanding Bonds, or any Parity Bonds as the same becomes due.

Section 7. Application of Revenues.

Until all Bonds, Outstanding Bonds, and any Parity Bonds have been retired, or until there is on deposit in the Debt Service Fund an amount sufficient to provide for the payment of the Bonds, the Outstanding Bonds, and any Parity Bonds, together with interest thereon to maturity, the Gross Revenues of the System shall be deposited as collected in the Revenue Fund and shall be transferred monthly to the funds listed below in the following order of priority and in the manner set forth below:

(a) to the Operation and Maintenance Fund, an amount equal to the estimated Current Expenses for such month and for the following month (after giving effect to available amounts in said fund from prior deposits);

(b) to the Special Redemption Fund, amounts sufficient to fund the accounts therein as required under the Senior Resolutions;

(c) to the Depreciation Fund, an amount determined by the Governing Body to be sufficient to provide a proper and adequate depreciation account for the System;

(d) to the Surplus Fund, any amount remaining in the Revenue Fund after the monthly transfers required in (a) through (c) above have been completed, to be further

applied as described in Section 6(e) above, and the deposit to the Debt Service Fund described below; and

(e) to the Debt Service Fund, an amount equal to one-sixth (1/6) of the next installment of interest coming due on the Bonds, the Outstanding Bonds, and any Parity Bonds then outstanding and an amount equal to one-twelfth (1/12) of the installment of principal of the Bonds, the Outstanding Bonds, and any Parity Bonds coming due during such Bond Year (after giving effect to available amounts in said fund from accrued interest, any premium or any other source);

Transfers from the Revenue Fund to the Operation and Maintenance Fund, the Special Redemption Fund, the Depreciation Fund, and the Surplus Fund, and from the Surplus Fund to the Debt Service Fund, shall be made monthly in the order indicated above, on such dates as are necessary to carry out the purposes of the respective funds, and such transfer shall be applicable to monies on deposit in the Revenue Fund as of the last day of the preceding month. Any other transfers and deposits to any fund required or permitted by subsection (a) through (e) of this Section 7, except transfers or deposits which are required to be made immediately or annually, shall be made on such dates as are necessary to carry out the purposes of the respective funds. Any transfer or deposit required to be made at the end of any Fiscal Year shall be made within 60 days after the close of such Fiscal Year.

It is the express intent and determination of the Governing Body that the amounts transferred from the Surplus Fund and deposited in the Debt Service Fund shall be sufficient in any event to pay the interest on the Bonds, the Outstanding Bonds, and any Parity Bonds and the principal thereof as the same becomes due.

Section 8. Deposits and Investments.

The Debt Service Fund shall be kept apart from monies in the other funds and accounts and the same shall be used for no purpose other than the prompt payment of principal of, premium if any, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as the same become due and payable. All monies therein shall be deposited in special and segregated accounts in a public depository selected under Chapter 34 of the Wisconsin Statutes and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m) of the Wisconsin Statutes. The other funds herein created or continued, as applicable (except the 2026 Water Utility SDWLP Project Fund created in Section 6 hereof) and if permitted under the Senior Resolutions, may be combined in a single account in a public depository selected in the manner set forth above and may be temporarily invested until needed in legal investments subject to the provisions of Section 66.0603(1m) of the Wisconsin Statutes.

Section 9. Service to the Municipality.

The reasonable cost and value of services rendered to the Municipality by the System by furnishing water services for public purposes shall be charged against the Municipality and shall, to the extent permitted by law, be paid in monthly installments as the service accrues, out of the current revenues of the Municipality collected or in the process of collection, exclusive of the revenues derived from the System; that is to say, out of the tax levy

of the Municipality made by it to raise money to meet its necessary current expenses. The reasonable cost and value of such service to the Municipality in each year shall be equal to an amount which, together with other revenues of the System, will produce in each Fiscal Year Net Revenues equivalent to not less than the annual principal and interest requirements on the Senior Bonds, the Bonds, the Outstanding Bonds, and any Parity Bonds, and any other debt obligations payable from the revenues of the System then outstanding times the greater of (i) 110%, or (ii) the highest debt service coverage ratio required with respect to any debt obligations payable from the revenues of the System then outstanding. However, such payment out of the tax levy shall be subject to (a) approval of the Wisconsin Public Service Commission, or successors to its function, if applicable, (b) yearly appropriations therefor, and (c) applicable levy limitations, if any; but neither this Resolution nor such payment shall be construed as constituting an obligation of the Municipality to make any such appropriation over and above the reasonable cost and value of the services rendered to the Municipality and its inhabitants or to make any subsequent payment over and above such reasonable cost and value.

Section 10. Operation of System; Municipality Covenants.

It is covenanted and agreed by the Municipality with the owner or owners of the Bonds, and each of them, that the Municipality will perform all of its obligations as set forth in the Financial Assistance Agreement.

Section 11. Additional Bonds.

Additional obligations payable out of the revenues of the System that have a priority over the Bonds, the Outstanding Bonds, and any Parity Bonds may be issued as provided in the Senior Resolutions. Additional obligations may be issued if the lien and pledge is junior and subordinate to that of the Bonds, the Outstanding Bonds, and the Senior Bonds. Additional Parity Bonds may be issued only if all the following conditions are met:

- (i) The Net Revenues of the System for the Fiscal Year immediately preceding the issuance of such additional Parity Bonds must have been in an amount at least equal to the maximum annual interest and principal requirements on all bonds outstanding payable from the revenues of the System (other than obligations subordinate to the Bonds and the Outstanding Bonds), and on the bonds then to be issued, times the greater of (a) 1.10 or (b) the highest debt service coverage ratio to be required with respect to any Senior Bonds, Outstanding Bonds, and Parity Bonds then outstanding. Should an increase in permanent rates and charges, including those made to the Municipality, be properly ordered and made effective during the Fiscal Year immediately prior to the issuance of such additional Parity Bonds or during that part of the Fiscal Year of issuance prior to such issuance, then Net Revenues for purposes of such computation shall include such additional revenues as an independent certified public accountant, consulting professional engineer or the Wisconsin Public Service Commission may certify would have accrued during the prior Fiscal Year had the new rates been in effect during that entire immediately prior Fiscal Year.

(ii) The payments required to be made into the funds listed in Section 6 of this Resolution must have been made in full.

(iii) Additional Parity Bonds must have principal maturing on May 1 of each year and interest due on May 1 and November 1 of each year.

(iv) The proceeds of additional Parity Bonds must be used only for the purpose of providing extensions or improvements to the System, or to refund obligations issued for such purpose.

(v) Additional Parity Bonds may, at the discretion of the Municipality, be issued with the additional security of a reserve fund but any such reserve fund shall not be available as additional security for the Bonds.

Section 12. Sale of Bonds.

The sale of the Bonds to the SDWLP for the purchase price of up to \$10,369,862, and at par, is ratified and confirmed and the officers of the Municipality are authorized and directed to do any and all acts, including executing the Financial Assistance Agreement and the Bonds as herein above provided, necessary to conclude delivery of the Bonds to the SDWLP, as soon after adoption of this Resolution as is convenient. The purchase price for the Bonds shall be paid upon requisition therefor as provided in the Financial Assistance Agreement. The officers of the Municipality are authorized to prepare and submit to the SDWLP any requisitions or disbursement requests in anticipation of the execution of the Financial Assistance Agreement and the issuance of the Bonds.

Section 13. Application of Bond Proceeds.

The proceeds of the sale of the Bonds shall be deposited by the Municipality into the 2026 Water Utility SDWLP Project Fund created and established under Section 6 hereof. The 2026 Water Utility SDWLP Project Fund shall be used solely for the purpose of paying the costs of the Project (including capitalized interest, if any, on the Bonds) as more fully described in the recitals of this Resolution and in the Financial Assistance Agreement. Moneys in the 2026 Water Utility SDWLP Project Fund shall be disbursed within three business days after their receipt from the SDWLP and shall not be invested in any interest-bearing account.

Section 14. Amendment to Resolution.

After the issuance of the Bonds, no change or alteration of any kind in the provisions of this Resolution may be made until all of the Bonds have been paid in full as to both principal and interest, or discharged as herein provided, except: (a) the Municipality may, from time to time, amend this Resolution without the consent of any of the owners of the Bonds, but only to cure any ambiguity, administrative conflict, formal defect, or omission or procedural inconsistency of this Resolution; and (b) this Resolution may be amended, in any respect, with a written consent of the owners of not less than two-thirds (2/3) of the principal amount of the Bonds then outstanding, exclusive of Bonds held by the Municipality; *provided, however*, that no

amendment shall permit any change in the pledge of revenues derived from the System or the maturity of any Bond issued hereunder, or a reduction in the rate of interest on any Bond, or in the amount of the principal obligation thereof, or in the amount of the redemption premium payable in the case of redemption thereof, or change the terms upon which the Bonds may be redeemed or make any other modification in the terms of the payment of such principal or interest without the written consent of the owner of each such Bond to which the change is applicable.

Section 15. Defeasance.

When all Bonds have been discharged, all pledges, covenants, and other rights granted to the owners thereof by this Resolution shall cease. The Municipality may discharge all Bonds due on any date by irrevocably depositing in escrow with a suitable bank or trust company a sum of cash and/or bonds or securities issued or guaranteed as to principal and interest by the United States, or by a commission, board, or other instrumentality of the United States, maturing on the dates and bearing interest at the rates required to provide funds sufficient to pay when due the interest to accrue on each of the Bonds to maturity or, at the Municipality's option, if said Bond is prepayable to any prior date upon which it may be called for redemption, and to pay and redeem the principal amount of each such Bond at maturity, or at the Municipality's option, if said Bond is prepayable, at its earliest redemption date, with the premium required for such redemption, if any, provided that notice of the redemption of all prepayable Bonds on such date has been duly given or provided for.

Section 16. Rebate Fund.

Unless the Bonds are exempt from the rebate requirements of the Internal Revenue Code of 1986, as amended (the "**Code**"), the Municipality shall establish and maintain, so long as the Bonds are outstanding, a separate account known as the 2026 Rebate Fund under Section 6 hereof. The sole purpose of the 2026 Rebate Fund is to provide for the payment of any rebate liability with respect to the Bonds under the relevant provisions of the Code and the Treasury Regulations promulgated thereunder (the "**Regulations**"). The 2026 Rebate Fund shall be maintained by the Municipality until all required rebate payments with respect to the Bonds have been made in accordance with the relevant provisions of the Code and the Regulations.

The Municipality hereby covenants and agrees that it shall pay to the United States Treasury from the 2026 Rebate Fund, on the dates and in the amounts and manner required by the Code and the Regulations, the portion of the "rebate amount" (as defined in Section 1.148-3(b) of the Regulations) that is due as of each "computation date" (within the meaning of Section 1.148-3(e) of the Regulations). As of the date of this Resolution, the provisions of the Regulations specifying the required amounts of rebate installment payments and the time and manner of such payments are contained in Sections 1.148-3(f) and (g) of the Regulations, respectively. Amounts held in the 2026 Rebate Fund and the investment income therefrom are not pledged as security for the Bonds, the Outstanding Bonds, or any Parity Bonds and may only be used for the payment of any rebate liability with respect to the Bonds.

The Municipality may engage the services of a qualified rebate determination provider to assist it in determining the rebate payments, if any, owed to the United States with

respect to the Bonds. The Municipality shall maintain or cause to be maintained records of determinations of rebate liability made with respect to the Bonds for each computation date until three (3) years after the April 15th of the calendar year immediately preceding the retirement of the last Bond. The Municipality shall make such records available to the SDWLP upon reasonable request therefor.

Section 17. Resolution a Contract.

The provisions of this Resolution shall constitute a contract between the Municipality and the owner or owners of the Bonds, and after issuance of any of the Bonds no change or alteration of any kind in the provisions of this Resolution may be made, except as provided in Section 14, until all the Bonds have been paid in full as to both principal and interest. The owner or owners of any the Bonds shall have the right, in addition to all other rights, by mandamus or other suit or action in any court of competent jurisdiction, to enforce such owner's or owners' rights against the Municipality, the Governing Body, and any and all officers and agents thereof including, but without limitation, the right to require the Municipality, its Governing Body and any other authorized body, to fix and collect rates and charges fully adequate to carry out all of the provisions and agreements contained in this Resolution.

Section 18. Continuing Disclosure.

REGISTERED OWNER: STATE OF WISCONSIN SAFE DRINKING WATER LOAN PROGRAM

PRINCIPAL AMOUNT: TEN MILLION THREE HUNDRED SIXTY-NINE THOUSAND EIGHT
HUNDRED SIXTY-TWO DOLLARS

THE CITY OF MADISON, WISCONSIN (the “**Municipality**”) hereby acknowledges itself to owe and for value received promises to pay the Principal Amount to the Registered Owner on the Maturity Date or earlier installment payment date (as hereinafter described), and interest on the Principal Amount from the Original Issue Date at the annual rate of the Interest Rate. The actual interest amount due is based on the amount of principal drawn, from the dates so drawn (as hereinafter described), or from the most recent interest payment date to which interest has been paid. Interest is due and payable on each May 1 and November 1 until the Principal Amount has been paid, beginning on November 1, 2026. Interest is computed on the basis of a 360-day year of twelve 30-day months.

The Principal Amount evidenced by this Bond (the “**Bonds**”) may be drawn upon by the Municipality in accordance with the Financial Assistance Agreement (as defined in the Resolution). The Principal Amount so drawn shall be repaid in annual installments on each May 1, beginning on May 1, 2028, in the amounts set forth in the repayment schedule attached as Exhibit B to the Financial Assistance Agreement and in the attached Schedule 2. The repayment schedule has been calculated by the State of Wisconsin Department of Administration (the “**State**”) assuming the full Principal Amount of the Bonds has been drawn by the Municipality on the Original Issue Date. The repayment schedule will be adjusted by the State from time to time based on the actual Principal Amounts drawn by the Municipality. The Principal Amounts so drawn shall be repaid in an amount equal to an amount which when amortized over the remaining term of this Bond plus current payments of interest (but only on amounts drawn hereunder) at the Interest Rate shall result in equal annual payments of the total of principal of and interest on the Bonds. The State shall record draws of principal and repayments of principal in the format shown on the attached Schedule 1.

On each principal payment date (whether at maturity or earlier installment payment or redemption date) and on each interest payment date, the Treasurer of the Municipality (who will act as authentication agent, paying agent, and registrar for the Bonds), or any successor fiscal agent appointed by the Municipality to act as authentication agent, paying agent, and registrar for the Obligations under Section 67.10(2) of the Wisconsin Statutes (hereinafter called the “**Fiscal Agent**”), will pay the principal of, and interest on, this Bond by electronic funds transfer or by check sent by overnight delivery service to the person or entity in whose name this Bond is registered on the register (hereinafter called the “**Bond Register**”) maintained by the Fiscal Agent at the end of the 15th day (whether or not a business day) of the calendar month just before a regularly scheduled interest payment date for the Bonds (the “**Record Date**”).

The Bonds are subject to optional redemption prior to maturity only as provided in the Financial Assistance Agreement and upon the written consent of the Registered Owner.

This Bond is transferable only upon the Bond Register in the office of the Fiscal Agent, by the Registered Owner in person or its duly authorized attorney, upon surrender of this Bond, together with a written instrument of transfer (which may be endorsed hereon) satisfactory to the Bond Registrar, duly executed by the Registered Owner or its duly authorized attorney. Thereupon a replacement Bond shall be issued to the transferee in exchange therefor. The Fiscal Agent may deem and treat the person in whose name this Bond is registered as the absolute owner hereof for the purpose of receiving payment of or on account of the principal or interest hereof and for all other purposes. This Bond is issuable solely as a negotiable, fully-registered bond, without coupons, and in denominations of \$0.01 or any multiple thereof.

This Bond is issued for the purpose of providing for the payment of the cost of constructing improvements to the water utility of the Municipality (the “**System**”), pursuant to Article XI, Section 3, of the Wisconsin Constitution, Section 66.0621 of the Wisconsin Statutes, and a resolution adopted on August 4, 2026, and entitled: “Resolution Authorizing the Sale and Issuance of up to \$10,369,862 Subordinate Water Utility Revenue Bonds, Series 2026, and Providing for Other Details and Covenants with Respect Thereto, and Authorizing an Amendment to the 2026 Water Utility Capital Budget” (the “**Resolution**”), and is payable only from the Debt Service Fund (as defined in the Resolution) continued by the Municipality under the Resolution and the revenues of the System pledged to such fund. The Bonds are issued expressly subordinate to Senior Bonds (as defined in the Resolution) previously issued by the Municipality payable from revenues of the System and, subject to certain conditions described in the Resolution, subordinate to future Senior Bonds to be issued by the Municipality payable from revenues of the System, and on a parity and equality of rank with the Municipality’s Outstanding Bonds (as defined in the Resolution). Under circumstances and subject to conditions stated in the resolution authorizing the issuance of the 2023 Bonds (as defined in the Resolution) and continued under the Resolution, additional bonds and notes may later be issued on a parity with the Bonds and the Outstanding Bonds (collectively, “**Parity Bonds**”). This Bond does not constitute an indebtedness of the Municipality within the meaning of any constitutional or statutory debt limitation or provision.

This Bond is a valid claim of the Registered Owner hereof only against the Debt Service Fund and the revenues of the System pledged to the Debt Service Fund. Sufficient

revenues of the System have been pledged to the Debt Service Fund to be used for no other purpose than to pay the principal of, and interest on, the Bonds, the Outstanding Bonds, and any Parity Bonds as the same becomes due.

It is hereby certified, recited, and declared that all acts, conditions, and procedures required to exist, happen, and be performed precedent to and in the issuance of this Bond have existed, have happened, and have been performed in due time, form, and manner as required by law; and that sufficient of the income and revenue to be received by the Municipality from the operation of the System has been pledged to and will be set aside into a special fund for the payment of the principal of, and interest on, this Bond.

IN WITNESS WHEREOF, the Municipality has caused this Bond to be signed by its Mayor and Clerk, and its corporate seal (or a true facsimile thereof) to be impressed (or imprinted) hereon, all as of the Original Issue Date specified above.

After consulting with DNR, DOA may collect all amounts due by deducting those amounts from any state payments due the municipality or may add a special charge to the amount of taxes apportioned to and levied upon the county under s. 70.60. If DOA collects amounts due, it shall remit those amounts to the fund to which they are due and notify DNR of that action.

(y) The Municipality acknowledges that the State reserves the right upon default by the Municipality hereunder to have a receiver appointed to collect User Fees from the operation of the Water System or, in the case of a joint utility system, to bill the users of the Water System directly.

(z) The representations of the Municipality in the Application are true and correct as of the date of this FAA and are incorporated herein by reference as if fully set forth in this place.

(aa) There has been no material adverse change in the financial condition or operation of the Municipality or the Project since the submission date of the Application.

ARTICLE III LOAN PROVISIONS

Section 3.01. Loan Clauses

(a) Subject to the conditions and in accordance with the terms of this FAA, the SDWLP hereby agrees to make the Loan and the Municipality agrees to accept the Loan. As evidence of the Loan made to the Municipality, the Municipality hereby agrees to sell to the SDWLP Municipal Obligations in the aggregate principal amount of \$10,369,862. The SDWLP shall pay for the Municipal Obligations in lawful money of the United States, which shall be disbursed as provided in this FAA.

(b) Prior to disbursement, Loan proceeds shall be held by the SDWLP or by the Trustee for the account of the SDWLP. Earnings on undisbursed Loan proceeds shall be for the account of the SDWLP. Loan proceeds shall be disbursed only upon submission by the Municipality of disbursement requests and approval thereof as set forth in Section 3.05 hereof.

(c) The Loan shall bear interest at the rate of two and 365/1000ths percent (2.365%) per annum, and interest shall accrue and be payable only on Loan proceeds actually disbursed from the date of disbursement until the date such amounts are repaid.

(d) The Department of Administration shall maintain a Loan Disbursement Table on its website <http://eif.doa.wi.gov/start.asp>. DOA shall make entries as each disbursement is made and as each principal amount is repaid; the SDWLP and the Municipality agree that such entries shall be mutually binding.

(e) Upon Final Completion of the Project, DOA may request that the Municipality issue substitute Municipal Obligations in the aggregate principal amount equal to the outstanding principal balance of the Loan.

(f) The Municipality shall deliver, or cause to be delivered, a Municipal Obligation Counsel Opinion to the SDWLP concurrently with the delivery of the Municipal Obligations.

Section 3.02. Type of Municipal Obligation and Security The Municipality's obligation to meet annual debt service requirements shall be a revenue obligation evidenced by issuance of revenue bonds

pursuant to s. 66.0621, Wis. Stats. The security for the Municipality's obligation shall be a pledge of revenues to be derived from the Water System, and the Municipality shall agree that, if revenues from the Water System are insufficient to meet annual debt service requirements, the Municipality shall purchase water services in amounts sufficient to meet annual debt service requirements as provided in and set forth in Section 9 of the Municipal Obligation Resolution. The annual revenues net of all current expenses shall be equal to not less than the annual principal and interest requirements on the Senior Municipal Obligations, the Outstanding Municipal Obligations, the Municipal Obligations, any Parity Obligations, and any other debt obligations payable from the revenues of the Water System then outstanding, times the greater of (i) 110 percent or (ii) the highest debt service coverage ratio required with respect to the Senior Municipal Obligations, the Outstanding Municipal Obligations, any Parity Obligations, or any other debt obligations payable from the revenues of the Water System then outstanding. As of the date of this FAA, the required debt service coverage ratio is 125 percent; however, this percentage is subject to change as outlined in the prior sentence. The Loan is also secured as provided in Section 3.07 hereof.

Section 3.03. Loan Amortization Principal and interest payments on the Loan (and on the Municipal Obligations evidencing the Loan) shall be due on the dates set forth in Exhibit B of this FAA. The payment amounts shown on Exhibit B are for informational purposes only and assume the full amount of the Loan is disbursed to the Municipality on August 26, 2026. It is understood that the actual amount of the Municipality's Loan payments shall be based on the actual dates and amounts of Loan disbursements for the Project. Notwithstanding the foregoing or anything in the Municipal Obligations, the Loan shall be for no longer than twenty (20) years from the date of this FAA and shall mature and be fully amortized not later than twenty (20) years after the original issue date of the Municipal Obligations. Repayment of principal on the Loan shall begin not later than twelve (12) months after the expected or actual Substantial Completion date of the Project

Section 3.04. Sale and Redemption of Municipal Obligations

- (a) Municipal Obligations may not be prepaid without the prior written consent of the SDWLP. The SDWLP has sole discretion to withhold such consent.
- (b) The Municipality shall pay all costs and expenses of the SDWLP in effecting the redemption of the Bonds to be redeemed with the proceeds of the prepayment of the Municipal Obligations. Such costs and expenses may include any prepayment premium applicable to the SDWLP and any investment losses incurred or sustained by the SDWLP resulting directly or indirectly from any such prepayment.
- (c) Subject to subsection (a), the Municipality may prepay the Loan with any settlements received from any third party relating to the design or construction of the Project.
- (d) Prepayments of the Municipal Obligations shall be applied pro rata to all maturities of the Municipal Obligations.

Section 3.05. Disbursement of Loan Proceeds

- (a) Each disbursement request shall be delivered to DNR. Each request must contain invoices or other evidence acceptable to DNR and DOA that Project Costs for which disbursement of Loan proceeds is requested have been incurred by the Municipality.
- (b) The SDWLP, through its agents or Trustee, plans to make disbursements of Loan proceeds on a semimonthly basis upon approval of each disbursement request by DNR and DOA. Such approval by DNR and DOA may require adjustment and corrections to the disbursement request submitted by the Municipality. The Municipality shall be notified whenever such an adjustment or correction is made by DNR or DOA.

(c) Disbursements made to the Municipality are subject to pre- and post-payment adjustments by DNR or DOA.

(1) If the Loan proceeds are not yet fully disbursed, and SDWLP funds were previously disbursed for costs not eligible for SDWLP funding or not eligible under this FAA, the SDWLP shall make necessary adjustments to future disbursements.

(2) If the Loan proceeds are fully disbursed, including disbursements for any costs not eligible for SDWLP funding or not eligible under this FAA, the Municipality agrees to repay to the SDWLP an amount equal to the non-eligible costs within 60 days of notification by DNR or DOA. The SDWLP shall then apply the amount it receives as a Loan prepayment.

(d) The SDWLP or its agent shall disburse Loan proceeds only to the Municipality's account by electronic transfer of funds. The Municipality hereby covenants that it shall take actions and provide information necessary to facilitate these transfers.

(e) Disbursement beyond ninety-five percent (95%) of the principal amount of the Loan, unless otherwise agreed to by DNR and DOA pursuant to a written request from the Municipality, may be withheld until:

(1) DNR is satisfied that the Project has been completed in accordance with the Plans and Specifications, and DNR has approved all change orders relating to the Project;

(2) the Municipality certifies to DNR its acceptance of the Project from its contractors;

(3) the Municipality certifies in writing to DNR its compliance with applicable Federal requirements (certification must be as prescribed on Exhibit C); and

(4) DNR certifies in writing to DOA the Municipality's compliance with all applicable requirements of this FAA.

(f) Treas. Regs. 26 CFR § 1.148-6(d)(1)(iii) applies to project expenditures; it states, in part, "An issuer must account for the allocation of proceeds to expenditures not later than 18 months after the later of the date the expenditure is paid or the date the project, if any, that is financed by the issue is placed in service".

Section 3.06. Remedies

(a) If the Municipality:

(1) or any authorized representative is not complying with federal or state laws, regulations, or requirements relating to the Project, and following due notice by DNR the Project is not brought into compliance within a reasonable period of time; or

(2) is not complying with or is in violation of any provision set forth in this FAA; or

(3) is not in compliance with the Statute or the Regulations;

then DNR may, until the Project is brought into compliance or the FAA non-compliance is cured to the satisfaction of DNR or DOA, impose one (1) or more of the following sanctions:

(i) Progress payments or disbursements otherwise due the Municipality of up to 20% may be withheld.

(ii) Project work may be suspended.

(iii) DNR may request a court of appropriate jurisdiction to enter an injunction or afford other equitable or judicial relief as the court finds appropriate.

(iv) Other administrative remedies may be pursued.

(b) If the Municipality fails to make any payment when due on the Municipal Obligations or fails to observe or perform any other covenant, condition, or agreement on its part under this FAA for a period of thirty (30) days after written notice is given to the Municipality by DNR, specifying the default and requesting that it be remedied, the SDWLP is provided remedies by law and this FAA. These remedies include, but are not limited to, the following rights:

(1) Pursuant to s. 281.59(11)(b), Wis. Stats., DOA shall place on file a certified statement of all amounts due the SDWLP under this FAA. DOA may collect all amounts due the SDWLP by deducting those amounts from any State payments due the Municipality, or adding a special charge to the amount of taxes apportioned to and levied upon the county in which the Municipality is located under s. 70.60, Wis. Stats.

(2) The SDWLP may, without giving bond to the Municipality or anyone claiming under it, have a receiver appointed for the SDWLP's benefit of the Project and the Water System and of the earnings, income, rents, issues, and profits thereof, with such powers as the court making such appointment shall confer. The Municipality hereby irrevocably consents to such appointment.

(3) In the case of a joint utility system, the SDWLP may bill the users of the Water System directly.

(4) The SDWLP may declare the principal amount of the Municipal Obligations immediately due and payable.

(5) The SDWLP may enforce any right or obligation under this FAA, including the right to seek specific performance or mandamus, whether such action is at law or in equity.

(6) The SDWLP may increase the interest rate set forth in Section 3.01 hereof to the market interest rate as defined in the Statute and Regulations.

Section 3.07. Security for the Loan In accordance with the terms of the Municipal Obligation Resolution:

(a) as security for the Loan hereunder, the Municipality hereby pledges the revenue to be derived from the Municipality's Water Rates (which is a dedicated source of revenue); and

(b) other than as already pledged to the outstanding Senior Municipal Obligations, the Municipality shall not pledge the revenues, except as provided in Section 11 of the Municipal Obligation Resolution, to be derived from the Municipality's Water Rates or other revenues pledged under Section 3.07(a) above, to any person other than the SDWLP, unless the revenues pledged to such other person meet the highest debt coverage ratio then applicable to the Municipality

(c) The Municipal Obligations, together with interest thereon, shall be payable only out of the Debt Service Fund created and established under the 2023 Municipal Obligation Resolution and continued in the Municipal Obligation Resolution. The Municipal Obligations shall be a valid claim of the registered owner or owners thereof only against such Debt Service Fund (as defined in the Municipal Obligation Resolution) and the revenues of the Municipality pledged to such fund, junior and subordinate to the pledge of Net Revenues in the Special Redemption Fund (as defined in the Senior Resolutions) granted to the owners of the Senior Municipal Obligations. Sufficient revenues of the Municipality are pledged under the Municipal Obligation Resolution to the Debt Service Fund and shall be used for no other purpose than to pay the principal of, premium, if any,

and interest on the Outstanding Municipal Obligations, the Municipal Obligations, and any Parity Obligations as the same become due.

Section 3.08. Effective Date and Term This FAA shall become effective upon its execution and delivery by the parties hereto, shall remain in full force and effect from such date, and shall expire on such date as the Municipal Obligations shall be discharged and satisfied in accordance with the provisions thereof.

Section 3.09. Other Amounts Payable The Municipality hereby expressly agrees to pay to the SDWLP:

(a) such Servicing Fee as the SDWLP may impose pursuant to s. 281.61(5)(b), Wis. Stats., which shall be payable in semiannual installments on each interest payment date; such a Servicing Fee shall be imposed upon the Municipality after approval of a future Biennial Finance Plan by the State of Wisconsin Building Commission which contains a Servicing Fee requirement, schedule, and amount; and

(b) the Municipality's allocable share of the Fees and Charges as such costs are incurred. Allocable share shall mean the proportionate share of the Fees and Charges based on the outstanding principal of the Loan.

Amounts paid by the Municipality pursuant to this Section 3.09 shall be deposited in the Equity Fund established pursuant to the Program Resolution.

ARTICLE IV

CONSTRUCTION OF THE PROJECT

Section 4.01. Insurance The Municipality agrees to maintain property and liability insurance for the Water System and Project that is reasonable in amount and coverage and that is consistent with prudent municipal insurance practices for the term of the Loan. The Municipality agrees to provide written evidence of insurance coverage to the SDWLP upon request at any time during the term of the Loan.

In the event the Water System or Project is damaged or destroyed, the Municipality agrees to use the proceeds from its insurance coverage either to repay the Loan or to repair or replace the Water System.

Section 4.02. Construction of the Project The Municipality shall construct the Project, or cause it to be constructed, to Final Completion in accordance with the Application and the Plans and Specifications. The Municipality shall proceed with the acquisition and construction of the Project in conformity with law and with all applicable requirements of governmental authorities having jurisdiction with respect thereto, subject to such modifications of Plans and Specifications that alter the cost of the Project, use of space, Project scope, or functional layout, as may be previously approved by DNR.

Section 4.03. Performance Bonds The Municipality shall provide, or cause to be provided, performance bonds assuring the performance of the work to be performed under all construction contracts entered into with respect to the Project. All performance bonds required hereunder shall be issued by independent surety companies authorized to transact business in the State.

Section 4.04. Completion of the Project

(a) The Municipality agrees that it shall undertake and complete the Project for the purposes and in the manner set forth in this FAA and in accordance with all federal, state, and local laws, ordinances, and regulations applicable thereto. The Municipality shall, with all practical dispatch and in a sound and economical manner, complete or cause to be completed the acquisition and construction of the Project and do all other acts necessary and possible to entitle it to receive

User Fees with respect to the Project at the earliest practicable time. The Municipality shall obtain all necessary approvals from any and all governmental agencies prior to construction which are requisite to the Final Completion of the Project.

(b) The Municipality shall notify DNR of the Substantial Completion of the Project. The Municipality shall cause to be prepared as-built plans for the Project at or prior to completion thereof.

(c) The Municipality shall take and institute such proceedings as shall be necessary to cause and require all contractors and material suppliers to complete their contracts diligently and in accordance with the terms of the contracts including, without limitation, the correcting of defective work.

(d) Upon Final Completion of the Project in accordance with the Plans and Specifications, the Municipality shall:

(1) certify to DNR its acceptance of the Project from its contractors, subject to claims against contractors and third parties;

(2) complete and deliver to DNR the completed Utilization of Disadvantaged Business Enterprises (DBE) form attached hereto as Exhibit E of this FAA;

(3) prepare and deliver to DNR the completed Federal Requirements Compliance Certification attached hereto as Exhibit C of this FAA; and

(4) obtain all required permits and authorizations from appropriate authorities for operation and use of the Project.

Section 4.05. Payment of Additional Project Costs

(a) In the event of revised eligibility determinations, cost overruns, and amendments exceeding the Loan amount, the SDWLP may allocate additional financial assistance to the Project. The allocation of additional financial assistance may be in the form of a loan at less than the market interest rate, which is established pursuant to the Statute and Regulations. The allocation of additional financial assistance shall depend upon availability of funds, pursuant to the Statute and the Regulations.

(b) In the event Loan proceeds are not sufficient to pay the costs of the Project in full, the Municipality shall nonetheless complete the Project and pay that portion of the Project Costs as may be in excess of available Loan proceeds, and shall not be entitled to any reimbursement therefor from the SDWLP, or the owners of any Bonds, except from the proceeds of additional financing which may be provided by the SDWLP pursuant to an amendment to this FAA or through a separate financial assistance agreement.

Section 4.06. No Warranty Regarding Condition, Suitability, or Cost of Project Neither the SDWLP, DOA, DNR, nor the Trustee makes any warranty, either express or implied, as to the Project or its condition, or that it shall be suitable for the Municipality's purposes or needs, or that the proceeds of the Loan shall be sufficient to pay the costs of the Project. Review or approval of engineering reports, facilities plans, the Plans and Specifications, or other documents, or the inspection of Project construction by DNR, does not relieve the Municipality of its responsibility to properly plan, design, build, and effectively operate and maintain the Project as required by laws, regulations, permits, and good management practices. DNR or its representatives are not responsible for increased costs resulting from defects in the Plans and Specifications or other Project documents. Nothing in this section prohibits a Municipality from requiring more assurances, guarantees, or indemnity or other contractual requirements from any party performing Project work.

ARTICLE V
COVENANTS

Section 5.01. Application of Loan Proceeds The Municipality shall apply the proceeds of the Loan solely to Project Costs.

Section 5.02. Operation and Maintenance

Compliance with Law At all times during construction of the Project and operation of the Water System, the Municipality shall comply with all applicable federal, state, and local laws, ordinances, rules, regulations, permits, and approvals, and with this FAA, including, without limitation, the Statute, the Regulations, and the Water Diversion Permit (if any).

Without any request the Municipality shall furnish to DOA as soon as available, and in any event within one hundred eighty (180) days after the close of each fiscal year, a copy of the audit report for such year and accompanying GAAP-based financial statements for such period, as examined and reported by independent certified public accountants of recognized standing selected by the Municipality and reasonably satisfactory to DOA, whose reports shall indicate that the accompanying financial statements have been prepared in conformity with GAAP and include standards relating to the reporting of infrastructure assets.

(b) The Municipality shall maintain a separate account that reflects the receipt and expenditure of all SDWLP funds for the Project. All Loan proceeds shall be credited promptly upon receipt thereof and shall be reimbursement for or expended only for Project Costs. The Municipality shall: permit any authorized representative of DNR or DOA, or agents thereof, the right to review or audit all records relating to the Project or the Loan; produce, or cause to be produced, all records relating to any work performed under the terms of this FAA for examination at such times as may be designated by any of them; permit extracts and copies of the Project records to be made by any of them; and fulfill information requests by any of them.

All other files and records relating to the Project shall be retained so long as this FAA remains in effect. As-built plans for the Project shall be retained for the useful life of the Project.

Section 5.07. Project Areas The Municipality shall permit representatives of DNR access to the Project and related records at all reasonable times, include provisions in all contracts permitting such access during construction and operation of the Water System, and allow extracts and copies of Project records to be made by DNR representatives.

Section 5.08. Engineering Inspection The Municipality shall provide competent and adequate inspection of all Project construction under the direction of a professional engineer licensed in the State. Loan Payment Schedule Comments

Please review the preceding loan payment schedule. It shows the dates of the first interest and principal payments. This schedule (Exhibit B), assumes all the loan funds are drawn on the loan closing date. Though borrowers often draw loan funds over time, interest only accrues when the funds are disbursed and after the date of each disbursement.

Payment schedules are based on when disbursements are drawn to date and are located at <https://eif.doa.wi.gov/>. Select "Loan Payment Schedule" on the lower half of the page.

Additional municipal loan reports are located at: <https://eif.doa.wi.gov/>. These reports include the following:

<u>Available Report</u>	<u>Information Provided</u>
Auditor Verification Report	Information commonly requested by municipal auditors. Available for completed calendar years.
Loan Account History	Loan disbursements, principal payments, and loan balance.
Loan Payment Schedule	Future principal and interest payments for disbursements.
Payment History	Past principal and interest payments.
Disbursement History	Past loan and grant disbursements.

Use the "Output to Excel" button at the bottom of the page to create the report in Microsoft Excel. Find details on generating reports at <https://eif.doa.wi.gov/siteDescr.htm>.

The Environmental Improvement Fund sends invoices semi-annually. Invoices are sent approximately 45 days prior to the due date. If the municipality has multiple loans, DOA will send a single invoice showing the payment amount for each loan.

May 1: principal and interest payments due
November 1: interest payments due

CITY OF MADISON
SDWLP Project No. 4837-15

1. **Project Description:** The funding for this Project will be used to reconstruct Well No.12 pumphouse and to construct a new 1,000,000-gallon concrete reservoir on the Well No. 12 site. The pumphouse reconstruction will include the replacement of the existing well pump and motor, a new pressure reducing valve (PRV) and pressure safety valve (PSV), two high service pumps, new chemical feed equipment and SCADA equipment. The new 1,000,000-gallon concrete reservoir will replace the existing 150,000-gallon reservoir. Details regarding the Project can be found in the DNR water system facilities plan and specification approval letter, W-2025-0627, dated February 9, 2026. Three separate applications were submitted for funding: Rehabilitate Well No.12, Project No. 4837-15; Construct Well No. 12 Reservoir, Project No. 4837-16; and Construct Zone 7/8 PRV Interconnection, Project No. 4837-17. All three applications have been combined into Project No. 4837-15.
2. **Ineligible Costs:** There are no ineligible costs identified in the review of this Project. If the DNR identifies ineligible costs as the Project progresses, the Department will notify the Municipality.
3. **Other Funding Sources for Eligible Project Costs:** There are no other funding sources for eligible Project costs.
4. **Miscellaneous Costs:** As shown in the Project Budget Sheet (Exhibit A), SDWLP funding in the amount of \$30,000 is included in the Miscellaneous category for:
 - ◆ Permits/Fees \$25,000
 - ◆ Baker Tilly \$5,000
5. **Contingency Allowance:** The contingency allowance of \$668,353 is eight percent of the amount of uncompleted construction work. The Municipality must obtain CME approval of change orders prior to requesting reimbursement.
6. **Disadvantaged Business Enterprise (DBE) Good Faith Effort:** The Municipality and the prime contractor, Joe Daniels Construction Company, Inc., made good faith efforts to solicit for DBE participation. Contractors are required to solicit for DBEs if they do any subcontracting. The Municipality placed a bid ad soliciting for DBEs. Joe Daniels Construction Company, Inc., placed a bid ad for DBE participation, and the following DBE was selected:
 - ◆ Capital Steel Erectors, Inc., WBE, construction, \$24,400 (estimated)
7. **Green Project Reserve:** No green project reserve elements were identified during the review of this Project.
8. **Build America, Buy America:** This Project is subject to the Build America, Buy America requirements of Title IX of the Infrastructure Investment and Jobs Act, Public Law No. 117-58, §§ 70901-52. If this Project is exempt from Build America, Buy America requirements under a project specific or general applicability waiver, the Project is still subject to use of American Iron and Steel requirements of Section 1452 of the Act.
9. **Environmental Review:** Based on the information submitted to the SDWLP regarding activities associated with this Project, the SDWLP has determined that the Project will result in a categorical exclusion (CE), under §6.204 (a)(1) with the following requirements and recommendations:

1.) A construction site storm water permit is required if the Project has one or more acres of total land disturbance.

2.) Rusty Patched Bumble Bee (Recommended):

This project overlaps the Rusty Patched Bumble Bee (RPBB) High Potential Zone and contains suitable habitat for the bee. Project proponents should follow the U.S. Fish and Wildlife Service S7 Guidance: <https://www.fws.gov/media/esa-section-7a2-voluntary-implementation-guidance-rusty-patched-bumble-bee>. Follow-up actions may include (as applicable):

- use native trees, shrubs and flowering plants in landscaping,
- provide plants that bloom from spring through fall (Wisconsin Native Plant Species List: <https://p.widencdn.net/tanvm9/NH0936>),
- remove and control invasive plants in any habitat used for foraging, nesting, or overwintering

If suitable habitat is present and will be affected by the project, please contact the USFWS Bloomington field office at (952) 252-0092 or TwinCities@fws.gov for further consultation.

The SDWLP environmental review specialist is available to answer any questions you may have regarding construction requirements or recommendations and the DNR construction management engineer may conduct site visits to verify requirements are being met. Failure to comply with construction requirements as well as any other action resulting in the taking of any federally listed species or significant negative environmental impact may result in a loss of funding.

If the Project site or activity is modified in any way that may alter the determination above, please contact the SDWLP environmental review specialist prior to the start of the new or altered construction. Failure to notify the SDWLP in the event of scope change, addition, or change in disturbance footprint leading to negative environmental impacts may result in a loss of funding.

10. Federal Single Audit: This Project is being financed with federal funds and is subject to the Federal Single Audit requirements referenced in Section 5.23 of this FAA. If the Municipality receives more than \$1,000,000 of money that originates from any federal source in a calendar year, then it must commission a Federal Single Audit as part of its regular financial audit. The Catalog of Federal Domestic Assistance number is 66.468 for drinking water project disbursements funded with federal money.
