Subject: Please approve license for Brocach

To the ALRC:

The only reason Brocach's application for a liquor license was re-referred back to ALRC is because postcard notifications were not sent to the neighborhood.

The comments I have received from the neighborhood have been overwhelmingly in favor of Brocach opening a restaurant on Monroe St. The proposal is for a restaurant, not a bar. The existing restaurants on Monroe St are often full to capacity, and I expect Brocach will be equally as popular. Brocach downtown has had no complaints, demonstrating the responsible management of the owners.

I'll be at the Economic Development Committee meeting at 5:00. If I get out early enough, I'll stop by ALRC. Please do not alter the agenda on my account.

I support Brocach's application for a liquor license on Monroe St. I hope you will approve it.

Thanks.
