To whom it may concern,

I applied for a bartending license about four weeks ago. I wasn't sure if I should put pending charges on my report, but I have taken a plea deal on a second OWI that was back in February. I am looking to meet with someone/ get this resolved as soon as possible. My sentencing for the plea deal is set for August 4th, 2025. Thank you again.

In the lobby of a 115 room limited service hotel, there will be
beer/wine sold to hotel guests from a snack shop/pantry
located in the lobby. The beer/wine will be stored in
the pantry.

Dear City of Madison Clerk,

I am writing on behalf of Madison Sunrise Hotel LLC regarding our business plan for the sale of beer and wine in the hotel lobby at the Hampton Inn at 4820 Hayes Rd, Madison, WI.

Madison Sunrise Hotel LLC will be assuming ownership of the Hampton Inn on January 6, 2026, and has submitted the necessary documentation for a liquor/beer license to the City of Madison Clerk. Our business plan for this license is to provide pre-packaged beer and wine from our hotel lobby snack shop to our hotel guests for their private consumption.

Currently, the Hampton Inn has a Class A Beer and Wine license to sell alcohol in the hotel lobby, from the available snack / pantry shop for the hotel guests. This license was issued to BTM Wisconsin Concessions LLC. Our intention for applying for our own license after our acquisition of the hotel is to continue the same service that the regular guests of the hotel have become used to, so that the change in ownership does not impact their experiences during their stay and does not subsequently impact our hotel sales. The alcohol service is intended solely as an amenity to complement lodging, meetings, and food service operations, and not as a primary revenue driver. Our anticipated hours are during the daytime, with closing alcohol sales at 11pm daily.

Madison Sunrise Hotel LLC will not make any changes to hotel operations, management personnel, and the process for the sale of alcohol. The only change will be the change in ownership of the hotel.

Sincerely,

Palak Patel

- Kid's club / birthday party usage - this would be directed toward kids that are not yet old enough for school. Again, pickleball is the primary product for daytime usage, but this could be a supplement.
- Corporate / personal events - the space will be very nice for large events, and could be rented out if we could get a significant premium fee above the futsal/soccer uses in the evenings.

Summary

In total, about 50% of the baseline assumed revenue is either locked in, or very high confidence. The other 50% is our best estimate of what we believe the facility will generate, given our knowledge of the market, the demand, and the fact that 1,500+ people will pass through the facility each day. The court-time revenue is very well known, and our estimated revenue is conservative. It is conservative because a) it is at the 35th percentile of likely range, b) we've assumed the courts are only utilized 69% of the time, and c) as noted in the "other revenue opportunities", there are a number of ways we could increase the revenue if our initial products don't yield revenue at, or above, our budget.

The non-court-time revenue has less specificity and a wider range of possible outcomes given these products are new to us. I lowered the revenue for the low end of the range for the pub and cafe to be 10% of the total revenue per your request, but I do not believe that is a realistic outcome. Because of that assumption, the non-court-time revenue range of possible outcomes looks very wide, but again I think that is inflated because of the extremely conservative assumptions for the cafe and pub. We plan to have a very nice cafe and pub, to align with a nice facility for the higher end economic profile of our customers. We expect to have 150+ customers captive in the facility at most all times. To hit our baseline budget, only a small fraction (as noted in the table above) of those need to purchase an item to achieve our budget.

Title

Review and approve ALRC hearing procedures

**Rules of Procedure for Quasi-Judicial Hearings before the
Alcohol License Review Committee (ALRC) or an ALRC Subcommittee**

Reviewed and Approved by ALRC on _____

1. Amendments to these rules and Suspension of Rules. Amendments to these rules or the suspension of any rule of procedure may be voted on by the ALRC or Subcommittee at any meeting or hearing.
2. The Chair controls the flow of the hearing and order of events. The Chair will inform parties how the hearing will work. A quasi-judicial hearing still follows standard meeting requirements such as Roberts Rules, how motions are made and seconded, and taking minutes.
3. Order of Proceedings
 - a. Introductory matters
 - i. Call to Order - Determine if Hearing was properly noticed
 - ii. Introduction of Committee members
 - iii. Introduction of Parties (City and Licensee) and their Appearances
 - iv. Chair announces nature of Case
 - v. Chair sets rules of procedure/decorum if needed
 - vi. Chair discusses the burden of proof (the City must prove charges in the Complaint to be true by a preponderance of the evidence, per MGO 38.10(l)(b)2.)
 1. "preponderance of the evidence" is "Evidence which is of greater weight or more convincing than the evidence which is offered in opposition to it; that is, evidence which as a whole shows that the fact sought to be proved is more probable than not."
 - vii. Formal rules of evidence do not apply. So far as practical, follow rules of evidence in Wis. Stat. 227.45
 - viii. Chair will ask if there are any stipulations or agreements from the Parties.
 - ix. Chair will ask if the Licensee concedes (does not dispute) any of the allegations or counts in the Complaint.
 - b. Opening Statements of each Party (optional, Chair can decide if they are needed) City first, Licensee 2nd.
 - c. Presentation of Evidence
 - i. City's presentation of the case (City goes first because City has the burden of proof)

1. City calls its witness
2. Chair or their designee administers oath to witness
3. City (represented by City Attorney) asks questions of its witness
4. Licensee (or their Attorney) cross examines the witness
5. City Attorney can ask re-direct questions based on cross-examination
6. ALRC members may ask questions of witness, as permitted by Chair
7. Chair will ask if either party has follow-up questions based on the questions asked by ALRC members.
8. City "moves" any exhibits into Evidence (formality) and exhibits are "received" by the Chair
9. Repeat steps 1-8 repeat if additional witnesses
10. City Rests Case (pending any rebuttal)
- ii. Licensee's Presentation of Case
 1. Licensee calls its witness
 2. Chair or their designee administers oath to witness
 3. Licensee asks questions of its witness
 4. City Attorney cross examines the witness
 5. Licensee can ask re-direct questions based on cross-examination
 6. ALRC members may ask questions of witness, as permitted by Chair
 7. Chair will ask if either party has follow-up questions based on the questions asked by ALRC members.
 8. Licensee "moves" any exhibits into Evidence (formality) and exhibits are "received" by the Chair
 9. Repeat steps 1-8 if additional witnesses
 10. Licensee Rests Case
- iii. Rebuttal by City, if any.
- iv. Chair must close evidence, and determine which Exhibits have been admitted and made part of the Record of the Case.
- d. Closing Arguments
 - i. If Oral Argument- City goes first, licensee second, City may do rebuttal (City has final word because City has the burden of proof).
 1. If needed, Chair may establish time limits for closing arguments

- ii. If, instead of oral closing arguments, the Chair requests that the parties submit written briefs, then a briefing scheduling must be established. The hearing is then adjourned and subcommittee will schedule a special meeting for the purpose of deliberation.
 - 1. This option is only recommended if there are substantial legal questions in the case that need detailed research and explanation. Factual matters or interpretations of how to apply the facts to the law can most likely be handled by oral closing arguments at the time of the hearing.
- 4. Deliberation and Ruling
 - a. Deliberate to make Findings of Fact and Conclusions of Law for each count on the Complaint. Then, deliberate on recommended actions if appropriate.
 - b. Committee deliberate in closed session after motion if Agenda included the required notice. Chair must make announcement required by Wis. Stat. sec. 19.85(1) and (2) and Committee must take a roll-call vote before convening in closed session. Cannot reconvene in open session unless the agenda included a notice under Wis. Stat. 19.85(2).
 - c. Once decision is made and have returned to open session:
 - iii. Committee must act by motion and a vote. It is recommended but not required that final votes are taken in open session. A Motion should be made to adopt certain Findings of Fact and Conclusions of Law with respect to each count in the complaint:
 - 1. Make a Motion and take a vote on Findings of Facts with respect to each count in the Complaint
 - 2. Make a motion and take a vote on the Conclusions of Law with respect to each Count in the Complaint - do your findings of fact prove the count by a preponderance of evidence? (#1 and #2 motions can be combined.)
- 5. Announce Recommended Action (see 38.10(1)(b)2.d.)
 - a. suspend for a minimum of 3 days to a maximum of 90 days
 - b. revoke license
 - c. mandatory revocation for violation of 38.10(1)(a)6, for license issued under Wis. Stats. 125.51(4)(v).
 - d. Please note that ALRC does not have jurisdiction to recommend actions beyond those listed in (a)-(c) above, including but not limited to imposing fines, adding conditions, etc. unless it is part of a stipulation by the parties.
 - a. ALTERNATIVELY, the Committee may allow the parties to make arguments as to the appropriate action on the license, based on the

findings. If hearing additional “recommendation arguments”, Committee will need to deliberate again.

- i. If the parties make arguments about recommended action, City goes first, then Licensee, with City having option for rebuttal
- 6. Direct City Attorney to draft a Report incorporating Committee’s findings of fact, conclusions of law, and recommendations to the full ALRC and/or Common Council.
