

Operating Budget Amendment #13 – SUBSTITUTE

A police staffing subcommittee shall be established by the Common Council to review the police staffing report funded in the 2007 budget, if completed, and shall make recommendations to the Common Council and Police Chief which shall include, but not be limited to recommendations regarding the number of neighborhood officers, the staffing levels for Community Policing Teams and other community policing initiatives. This committee shall report back to the Common Council by October 1, 2007.
