Dear city Council members.

My name is Robert Carpenter and I own and manage 100 units across the Street From Law Park.

I also live at 111 W. Wilson St (across From Law Park)

I wholly support Mike Verveers effort to ban alcohol For Law Park For the following reasons

- 1.) Public Safety - drunken men fighting and swearing at all hours of day and night
- 2.) Quality of Life - Trash, beer cans, bottles, public urination and defecation.
- 3.) General Safety of Tenants. Tenants are afraid to walk past drunken men on Law Park Bike Path

Thank you
Robert B Carpenter
