Subject: RE: Amended BPW Agenda of 4/22/09

Janet, as I previously mentioned, I will be out of town on business from 4/20 to 4/24 and will miss the 4/22 meeting.

I note that item 41 on the agenda is to discuss appointment/reappointment of BPW representatives on several different City committees. Currently I am serving on the Solid Waste Advisory Committee and Sustainable Design & Energy (SD&E) Committee. Due to my work committments, I have been having difficulty getting to the SE & E meetings lately, which meet from 4:00 pm to 6:00 pm on the second Monday of the month. The SD & E is primarily involved with Green building design and energy conservation issues and while interesting work, I am not able to bring a great deal of expertise to the meeting. I would welcome the opportunity to step down from SD & E if another BPW member would be willing to volunteer for that assignment. I do enjoy very much the Solid Waste Advisory committee work and would enjoy staying involved. Please share this with the Board members on 4/22 when item 41 is discussed. Thanks. Bill
