RE: Legistar ID 85832; Accela 'LNDUSE-2024-00098' -- Approval of demolition permit at 1901-1915 South Park Street

Dear Laura:

At its December 2 meeting, the Plan Commission, meeting in regular session, found the standards met and approved your request for a demolition permit to raze a commercial building at 1901-1915 South Park Street. In order to receive final approval of your request, and for any other permits that may need to be issued for your project, the following conditions shall be met:

Please contact Jenny Kirchgatter, Assistant Zoning Administrator at (608) 266-4429 if you have any questions regarding the following two (2) items:

1. Section 28.185(9)(b) requires that every applicant for a demolition or removal approval that requires approval by the Plan Commission is required to get a Reuse and Recycling Plan approved by the City Recycling Coordinator, Bryan Johnson at streets@cityofmadison.com prior to receiving a raze permit. Every person who is required to submit a reuse and recycling plan pursuant to Section 28.185(9)(b) shall submit documents showing compliance with the plan within sixty (60) days of completion of demolition. A demolition or removal permit is valid for two (2) years from the date of the Plan Commission approval.
2. Approval of the demolition will require the removal of the principal building, parking lot, and paved areas. Disturbed areas shall be graded and seeded or sod planted to minimize erosion.

Please contact Tim Troester of the City Engineering Division at (608) 267-1995 if you have any questions regarding the following two (2) items:

3. Based on WDNR BRTTS 03-13-284983 NORTH AMERICAN GROUP SITE the property may contain residual contamination. If contamination is encountered, follow all WDNR and DSPS regulations for proper handling and disposal.
4. Obtain a permanent sewer plug permit for each existing sanitary sewer lateral serving a property that is not to be reused and a temporary sewer plug permit for each sewer lateral that is to be reused by the development. The procedures and fee schedule is available online at <http://www.cityofmadison.com/engineering/permits.cfm>. (MGO CH 35.02(14))

Please contact Julius Smith of the City Engineering Division – Mapping Section at (608) 264-9276 if you have any questions regarding the following three (3) items:

5. FYI: Any future buildings will receive a new address. Existing addresses will be archived.
6. Show Ingress Egress Easement area per Document no. 3215592 where pavement is to remain on the South.
7. Provide a digital CADD file to scale that accurately represents final construction of the pavement to remain for the billboard lease area and for the shared access area. It shall be on the WISCRS Dane County Projection as set forth in the website link below. The single CADD file submittal shall be either AutoCAD (dwg) or Universal (dxf) format and shall contain the required data per the City of Madison CADD Site Plan Approval Submittal instructions available at: <https://www.cityofmadison.com/engineering/developers-contractors/developers/digital-file-submittals>

Please contact Matt Hamilton of the Fire Department at (608) 266-4457 if you have any questions regarding the following one (1) item:

8. Please consider allowing Madison Fire Dept. to conduct training sequences prior to demolition. Contact MFD Training Division to discuss possibilities: Division Chief Ron Blumer at rblumer@cityofmadison.com or (608) 266 -4198.

Please contact Bradley Hofmann of the Forestry Section at (608) 267-4908 if you have any questions regarding the following seven (7) items:

9. An existing inventory of street trees located within the right of way shall be included on the site, demo, utility, landscape, grading, fire aerial apparatus and street tree plan sets. The inventory shall include the following: location, size (diameter at 4 1/2 feet), and species of existing street trees. The inventory should also note if a street tree is proposed to be removed and the reason for removal.
10. All proposed street tree removals within the right of way shall be reviewed by City Forestry before the Plan Commission meeting. Street tree removals require approval and a tree removal permit issued by City Forestry. Any street tree removals requested after the development plan is approved by the Plan Commission or the Board of Public Works and City Forestry will require a minimum of a 72-hour review period which shall include the notification of the Alderperson within who's district is affected by the street tree removal(s) prior to a tree removal permit being issued. Add as a note on the street tree plan set.
11. Contractor shall take precautions during construction to not disfigure, scar, or impair the health of any street tree. Contractor shall operate equipment in a manner as to not damage the branches of the street tree(s). This may require using smaller equipment and loading and unloading materials in a designated space away from trees on the construction site. Any damage or injury to existing street trees (either above or below ground) shall be reported immediately to City Forestry at (608) 266-4816. Penalties and remediation shall be required. Add as a note on the site, grading, utility, demolition, and street tree plan set.

12. As defined by the Section 107.13 of City of Madison Standard Specifications for Public Works Construction: No excavation is permitted within 5 feet of the trunk of the street tree or when cutting roots over 3 inches in diameter. If excavation is necessary, the Contractor shall contact Madison City Forestry at (608) 266-4816 prior to excavation. City of Madison Forestry personnel shall assess the impact to the tree and to its root system prior to work commencing. Tree protection specifications can be found on the following website: <https://www.cityofmadison.com/business/pw/specs.cfm> Add as a note on the site, grading, utility, demolition and street tree plan sets.
13. Section 107.13(g) of City of Madison Standard Specifications for Public Works Construction (website: <https://www.cityofmadison.com/business/pw/specs.cfm>) addresses soil compaction near street trees and shall be followed by Contractor. The storage of parked vehicles, construction equipment, building materials, refuse, excavated spoils or dumping of poisonous materials on or around trees and roots within five (5) feet of the tree or within the protection zone is prohibited. Add as a note on both the site and street tree plan sets.
14. On this project, street tree protection zone fencing is required. The fencing shall be erected before the demolition, grading or construction begins. The fence shall include the entire width of terrace and, extend at least 5 feet on both sides of the outside edge of the tree trunk. Do not remove the fencing to allow for deliveries or equipment access through the tree protection zone. Add as a note on both the site and street tree plan sets.
15. Street tree pruning shall be coordinated with City Forestry at a minimum of two weeks prior to the start of construction for this project. Contact City Forestry at (608)266-4816. All pruning shall follow the American National Standards Institute (ANSI) A300 - Part 1 Standards for pruning. Add as a note on both the site and street plan sets.

Please contact Jeff Belshaw of the Water Utility at (608) 261-9835 if you have any questions regarding the following one (1) item:

16. The Madison Water Utility shall be notified to remove the water meter at least two working days prior to demolition. Contact the Water Utility Meter Department at (608) 266-4765 to schedule the meter removal appointment.

Please contact Trent Schultz of the Parking Utility at (608) 246-5806 if you have any questions regarding the following one (1) item:

17. The agency reviewed this request and has recommended no conditions of approval. A Transportation Demand Management (TDM) Plan may be required as part of future development, per MGO 16.03.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your demolition:

1. After the plans have been revised per the above conditions, please **one (1) complete digital plan set in PDF format** of complete, fully dimensioned, and to-scale plans; the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code; and any other documentation requested herein to the Zoning Administrator at SPRapplications@cityofmadison.com. (Note that

that an individual email cannot exceed 20MB and it is the responsibility of the applicant to present files in a manner that can be accepted. Please email zoning@cityofmadison.com regarding questions or if you need alternative filing options) The sets of final revised plans or documents will be circulated by Zoning staff to the City department staff listed above for their final approval.

2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.

3. A demolition or removal permit is valid for two (2) years from the date of the Plan Commission. Where the plans have not been altered since issuance of the demolition or removal permit and the permit has expired, the Director of Planning and Community and Economic Development may, after consultation with the Alderperson of the District, approve an extension for up to one (1) year from the expiration date.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 243-0455.

Sincerely,

Colin Punt
