

Cucos Proposed License Conditions:

1. Shall maintain an accurate capacity count by using a physical counter that allows for "clicking" patrons in and out of the establishment. Capacity number of the establishment includes all staff. Best practice would be one counter for patrons entering and one counter for patrons exiting.
2. Cucos' staff shall actively monitor parking lot beginning at 10:00 p.m. on Fridays and Saturdays or any other evening Cucos is open after 10:00 p.m.
3. On Fridays and Saturdays, Cucos shall make last call for alcohol at midnight and shall stop karaoke and entertainment license activities at midnight. This restriction will be for a period of ninety (90) days. The Alcohol License Review Committee ("ALRC") shall review this condition at its August 15, 2018 meeting. If there have been no significant problems or issues associated with Cucos' Karaoke nights/entertainment license activities during this ninety (90) day period, the East Police District and the District Alder will recommend extending the last call for alcohol and cessation of karaoke and entertainment license activities to 1:00 a.m. for an additional ninety (90) day period. The ALRC shall review the second ninety (90) day period at its November 21, 2018 meeting.
 - a. If there are problems or issues reported at the time of the first ninety (90) day review by the ALRC, the midnight cessation of alcohol and karaoke/entertainment license activities shall be continued.
 - b. If the end time for alcohol service and karaoke/entertainment license activities is extended to 1:00 a.m. after the initial ninety (90) day review period, and the District Alder and/or East District Police have received reports of, or have observed significant problems or issues at Cucos during the second ninety (90) day review period, the District Alder and/or the East District Police will recommended to the ALRC that Cucos revert back to ending alcohol sales and karaoke/entertainment license activities at midnight.
4. Cucos shall provide the Elvehjem Neighborhood Association president with a direct phone number for on-site management that can be distributed to interested neighbors for purposes of immediately communicating issues related to noise to Cucos.
