*Subject: Support of Application for C.D.B.G. Office Funds by
Independent Living*

I am writing in support of the application by Independent Living for C.D.B.G. funds for the construction of an assisted living and nursing home facility on property located near Cherokee Marsh and the Cherokee Country Club driving range.

I live in a Cherokee Condominium home and am most happy with this neighborhood. I would welcome an affordable, but well maintained and nicely landscaped facility, I believe that Independent Living would also be certain that their facility meets a high standard of care for their inhabitants. I know that Independent Living offers such services on the west side of Madison, but I would like to be able to continue to be located in the Cherokee neighborhood in an affordable facility offering such services.

I believe that Independent Living will ascertain that any facility their

architects propose will be engineered to ensure that the facility will not in any way have an adverse effect on the Cherokee Marsh area and will be an asset to the Cherokee neighborhood.

Please give their application favorable consideration.

Sincerely,

Janice Constans
