

To whom it may concern,

My name is Scott Nesbit I have been friends with many of the individuals involved with the opening My Buddies bar on the east side of madison in the location of the old Babes and Damons. I have heard they is some hurdles in the way of them getting their license to sell alcohol. I have seen no reason in all the years I've known any the gentlemen that they would not be able to run a respectable establishment, and they deserve the oportunity to do so.
