Subject: Endorsing Zach Wood to fill the D8 vacancy until next spring

Alders -

Please select Zach Wood to serve as the alder from District 8 until the next spring election. Zach's previous experience on the Common Council ensures that the city is well-served for the next 6 months, and given that Zach has been very recently elected from the district, there is probably no better available data point with which you can have confidence that he's likely acceptable to the residents of District 8.

Zach is almost certainly not going to stand for reelection next spring, so better to give the district an opportunity to have a full campaign similar to the one they just had, with no one having the advantages of incumbency.

Thank you,
