If the City determines that Contractor is not exempt, the Articles of Agreement will apply.
- ☐ D. Contractor believes it is exempt from filing an affirmative action plan because its annual aggregate business with the City for the calendar year in which the contract takes effect is less than twenty-five thousand dollars (\$25,000), or for another reason listed in MGO 39.02(9)(a)2. If the City determines that Contractor is not exempt, the Articles of Agreement will apply.

ARTICLE V

Under public works contracts, if a subcontractor is in noncompliance, the City may recover liquidated damages from the prime Contractor in the manner described above. The preceding sentence shall not be construed to prohibit a prime Contractor from recovering the amount of such damage from the noncomplying subcontractor.

ARTICLE VIII

(This Article applies to public works contracts only.)

The Contractor shall include the above provisions of this Contract in every subcontract so that such provisions will be binding upon each subcontractor. The Contractor shall take such action with respect to any subcontractor as necessary to enforce such provisions, including sanctions provided for noncompliance.

ARTICLE IX

You may display our information product data internally. You may transmit our information product data electronically using a feature in the information product or print and share that information product data as necessary in the regular course of your business. Copyright notices must be retained on the transmitted or printed items. The Copyright Act (17 U.S.C.A. 107) fair use provision may allow additional uses.

(d) You may not sell, sublicense, distribute, display, store or transfer our products or any data in our products in bulk or in any way that could be used to replace or substitute for our products in whole or in part or as a component of any material offered for sale, license or distribution to third parties.
