RE: Approval of a conditional use for the construction of a detached garage on a lakefront property in the TR-C1 zoning district.

Dear Ms. Spencer:

At its December 2, 2013 meeting, the Plan Commission found the standards met and **approved** your conditional use request for construction of a new detached garage, subject to the conditions below. In order to receive final approval of the conditional use, and for any necessary permits to be issued for your project, the following conditions shall be met:

**Please contact Pat Anderson of the Zoning Office at 266-5978 if you have any questions regarding the following item:**

1. Pursuant to Section 28.141(9)(b)1, within a front yard setback or street side yard setback, the driveway must lead only from a street to the nearest garage or approved parking area. The plans as submitted would allow for front yard parking in violation of section 28.141(8)(c) Work with Zoning staff to submit final plan sets that comply with MGO Section 28.141(8) and (9).

**Please contact Janet Dailey of the City Engineering Division at 261-9688 if you have questions regarding the following 4 items:**

2. Revise plans to remove all retaining walls and private plantings from the right of way.
3. The new drive approach shall require a Terrace Permit. The permit application can be found online at the website below: <http://www.cityofmadison.com/engineering/Permits.cfm>
4. All work in the public right-of-way shall be performed by a City licensed contractor (MGO 16.23(9)(c)5) and MGO 23.01).
5. The applicant shall submit, prior to plan sign-off, digital PDF files to the Engineering Division (Jeff Benedict or Tim Troester). The digital copies shall be to scale, and shall have a scale bar on the plan set (POLICY and MGO 37.09(2)).

PDF submittals shall contain the following information:

- a) Building footprints
- b) Internal walkway areas
- c) Internal site parking areas
- d) Lot lines and right-of-way lines
- e) Street names
- f) Stormwater Management Facilities
- g) Detail drawings associated with Stormwater Management Facilities (including if applicable planting plans)

**Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency. No building permits shall be issued until the applicant has met all of the conditions of approval stated in this letter.**

**Please now follow the procedures listed below for obtaining your conditional use permit:**

1. Please revise the plans per the above conditions and file **six (6)** sets of complete, fully dimensioned, and to-scale plans, along with the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code. Also provide any other documentation requested herein with the Zoning Administrator, Room LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved conditional use.

If you have any questions regarding obtaining the demolition or conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 266-5974.

Sincerely,

Heather Stouder, AICP  
 Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use permit.
