

916-918 Williamson Street
Certificate of Appropriateness
June 3, 2024

Proposed Work

- Replace fabric awnings and downcast light fixtures with illuminated architectural canopies
- Install neon wall signage

Applicable Standards

MGO 41.18 (3) Signs

MGO 41.25 Standards for Alterations

Staff Recommendation

Staff believes that the standards for granting a Certificate of Appropriateness are met and recommends that the Landmarks Commission approve the project as proposed.
