RE: Legistar #56801; Accela ID: 'LNDUSE-2019-00086' -- Approval of a Conditional Use to add a school in an existing place of worship in the Traditional Residential-Consistent 4 (TR-C4) District at 2019 Fisher Street.

Dear Mr. Brown:

At its August 26, 2019 meeting, the Plan Commission, meeting in regular session, found the standards met and **approved** your conditional use request to add a school in an existing place of worship in the Traditional Residential-Consistent 4 (TR-C4) District at **2019 Fisher Street**, subject to the conditions below. In order to receive final approval of the conditional use, and for any permits to be issued for your project, the following conditions shall be met:

Please contact Jacob Moskowitz of the Zoning Division at (608) 266-4560 if you have any questions regarding the following item:

1. Bicycle parking for the project shall comply with the requirements of Sections 28.141(4)(g) and 28.141(11). Provide a minimum of 4 short-term bicycle parking stalls located in a convenient and visible area on a paved or impervious surface. Bicycle parking shall be located at least as close as the closest non-accessible automobile parking and within one hundred (100) feet of a principal entrance. Note: A bicycle stall is a minimum of two (2) feet by six (6) feet with a five (5) foot wide access area. Provide a detail of the proposed bike rack.

Please contact Bill Sullivan of the Fire Department at (608) 261-9658 if you have any questions regarding the following item:

2. The fire access lane will need to be modified to allow 150-ft from the fire lanes to all exterior portions of the building. The route shall be along a walkable path. Current proposal requires climbing over a fence which is not acceptable.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please revise your plans per the above conditions and submit **seven (7) copies** of a complete, fully dimensioned and scaled plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to

sign off. The final site plan shall be accompanied by the appropriate site plan review application and fee pursuant to Section 28.206 of the Zoning Code, and any other documentation requested herein with the Zoning Administrator, 215 Martin Luther King Jr. Boulevard. **This submittal shall all also include one complete digital plan set in PDF format.** The sets of final revised plans or documents will be circulated by the Zoning staff to the City department staff listed above for their final approval.

2. This property is not in a wellhead protection district. All wells located on this property shall be abandoned if no valid well operation permit has been obtained from the Madison Water Utility.
3. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting conditional use approval.
4. The approval is valid for one (1) year from the date of the Plan Commission approval. During this time, the applicant must either lawfully commence the use or obtain a building permit and begin erecting the building. If the applicant obtains a valid building permit, construction must commence within six (6) months of the date of issuance. The building permit shall not be renewed unless construction has commenced as is being diligently prosecuted.
5. Any alteration in plans for a proposed alternative use shall require Plan Commission approval, except for minor alterations. The Zoning Administrator may issue permits for minor alterations or additions which are approved by the Director of Planning and Community and Economic Development and are compatible with the concept approved by the City Plan Commission and the conditional use approval standards.
6. The Plan Commission retains continuing jurisdiction over all conditional uses for the purpose of resolving complaints against all previously approved conditional uses.

If you have any questions regarding obtaining your conditional use or building permits, please contact the Zoning Administrator at (608) 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at (608) 261-9135.

Sincerely,

Chris Wells
 Planner
