SUMMARY:

At its meeting of May 8, 2013, the Urban Design Commission **RECOMMENDED APPROVAL** of repealing and recreating Chapter 31. Matt Tucker, Zoning Administrator discussed changes in the Zoning Code and the need to update certain ordinances against the new code. These changes are an attempt to retool how the Sign Code relates to the changes in zoning. Tucker ran through the breakdown of districts and how they fit into three groups. There are a lot of little changes, but they accommodate the placement of all these zoning districts into these individual groups, with each group itself having its own reference within the individual restrictions.

ACTION:

On a motion by Cnare, seconded by Huggins, the Urban Design Commission **RECOMMENDED APPROVAL**. The motion was passed on a vote of (7-0).
