## CITY COMMITTEE CENTER

Thank you for visiting the City's Committee Information Center. You can find a listing of the [City of Madison boards, commissions and committees](#), their mission, meeting information, and membership rosters. You can check on [current position vacancies](#) and the qualifications necessary to each position.

The application process is easy. Complete the [committee application](#) and [Statement of Interests](#) forms and submit them to the Mayor's Office, or call the [Mayor's Office](#) to request the forms.

Note: Nominees for appointment to a city board, commission or committee must file a "Statement of Interests" form with the City Clerk's Office prior to his/her name being submitted to the Common Council.

Once you've submitted your completed application, it will remain on file in the Mayor's Office and, as vacancies occur in your areas of interest, your application will be reviewed.

If you are a current committee member, refreshing your knowledge is a click away. The [training and support site](#) is available 24/7.

As you travel through the pages, we encourage you to contact us with any questions you might have.
