

DEMOLITION PHOTOS — 519-521 W MAIN ST

Land Use Application

The following is submitted together with the plans and application for the staff and Plan Commission's consideration of approval.

The project would require razing the existing two two-story buildings located on the property. The project team is requesting demolition from the following buildings, each a non-historic structure and have reached functional obsolescence:

- 519 W Main St, Madison, WI a two-story four-unit apartment building
- 521 W Main St, Madison, WI a two-story two-unit apartment building
