City of Madison

You can fill out the census from home. Everyone living in your household should be counted. Census data determines how more than \$675 billion in federal funds are distributed to communities across the country for affordable housing, childcare, healthcare, education, transportation, and more. That's over \$2,000 per person for Madison and Dane County every year. Please remind friends and family to be counted. By law your answers are confidential. Respond online at my2020census.gov, by [phone](#), or by [mail](#)—without having to meet a census taker.
