Room 403
Madison, WI 53703

Dear Mayor Cieslewicz,

The Far Eastside Business Association (FEBA) is dedicated to bringing together area businesses and providing them with a forum to receive and exchange timely information. FEBA is also recognized as an association that represents the collective interests of its members before local and area governmental bodies

The FEBA Board of Directors has voted to support the expansion of TIF District #34 on Madison's east side to include the Center for Industry & Commerce and allow the Center to use \$2 million of the unused funds available in District #34 to build infrastructure. We feel that the proposed change *is* in the best interest of the city, the community, and our membership.

Please feel free to contact me if you need additional information or you would like our Board to recommend alternatives.

Sincerely,

Daniel J. Bullock
President
