Good afternoon Jim,

I apologize for the error on the application. The ratios should read:

30% alcohol
10% other
60% food

I am happy to answer any questions.

Thank you,
Christine

Hi Stephanie,

Thank you for your e-mail. Have you established a date and time for the informational meeting?

Also, in the application on question 57, you must list the ratio of gross receipts of alcohol, food and other. The percentages in your application is 20% alcohol, 40% food, and 20% other, this adds up to 80%. Can you provide me with the percentages equaling 100%?

Thank you,
