### Report of Alcohol License Establishment Response Team (ALERT)

22. Meeting regarding Visions application for change of licensed premise

Attorney Zilavy reported on the ALERT meeting with Captain Bach and Alderperson Rosas at Visions. She said that, although a provision in the agreement between the City of Madison and Visions would prohibit any changes to the establishment, another provision called for the closure of the establishment in 1986. Because the mayor at that time chose not to enforce this provision in 1986, the agreement is no longer enforceable. Attorney Zilavy said Visions is free to make changes, but should have come before the committee first. If the committee were to deny the proposed change of licensed premise, Visions would have to take down the changes it has made.

### Report of the City Attorney

40. License Renewals Separated as a Group

Attorney Zilavy provided committee members with a copy of the license condition proposed by the mayor's office. The condition would be, "At any time an emergency is declared by the Mayor or Common Council of the City of Madison pursuant to Sec. 23.47, Madison General Ordinances, licensee shall abide by any subsequent Order of the Mayor or Common Council related to the operation of licensee's establishment. Such Order may include, but is not limited to, an Order to close the establishment or cease alcohol sales immediately upon notice."

Mario Mendoza of the Mayor's Office told the committee that the request for this license condition was to provide notice that some strategy will have to be implemented to deal with bar time. He said it is not the belief of the mayor's office that things have gone badly on Halloween because of the bars, and that a Halloween Planning Group will come up with a comprehensive plan in the next few weeks.
