Hi Todd,

Thanks for showing me the plans for the garage project and discussing the parameters of the addition with me. Just to reiterate my feelings on what you're proposing, my wife and I don't have any concerns at all. In fact, in talking it over, we feel that making improvements like this benefit the neighborhood overall, and we fully support you in making the proposed changes.

I do wish you luck in getting the variance approved. I think it would make sense for the city to grant that.

Best,

John Rudolph
