All,
I have the following concerns with, and do not support this request in its present form:
1) The number of persons added to the business exceeds their capability of effective management for security, as well as number of toilets.
2) They do not have an entertainment license.
3) We have no experience with them having live entertainment from which we could judge their ability to manage and control that number of additional patrons.
4) The request to pre-approve 6 events prevents us from having leverage to be able to require changes to the plans or to cancel the subsequent events if they prove problematic.

Cameron S. McLay, Captain of Police
Madison Police Department, North District Commander

Cam,

Thank you for the question, they have only liquor & beer, food/drink, and places of assembly licenses. We have no entertainment permit application from them at this time.

Dear Concerned Parties,

Please find attached a change of premise application from Hooters of East Madison LLC, dba Hooters of East Madison, located at 2639 East Springs Drive. The application is a request to expand capacity outdoors for special events on 8/13,8/20,8/27,9/3,9/10,and 9/17 of 2010. Hooters of East Madison is proposing a capacity of up to 500 in the parking lot.

Thank you.
