## EVENT OVERVIEW

On July 13 and 14, 2013, the Madison Museum of Contemporary Art ("MMoCA") will celebrate its 55<sup>th</sup> annual Art Fair on the Square. With over 150,000 visitors from across the region, Art Fair offers a wide range of art, music, dance, family entertainment and food. Occupying the eight blocks that surround the State Capitol, and the 100 block of Martin Luther King Jr. Blvd, Art Fair on the Square is a celebration of both the arts and downtown Madison. Over 500 volunteers donate their time and energy to help make Art Fair a success, and businesses also show their support through cash and valuable in-kind contributions of goods and services, such as promotional assistance, manpower, and donations of food and equipment. Since the museum's first Art Fair in 1958, the event has grown into one of the most highly-respected juried art fairs in the country. Over 1,400 artists from across the United States apply each year for the 475 exhibitor booths. **Admission: FREE.** Open to the public.

While Art Fair on the Square is a beloved annual event that boosts tourism, nationwide visibility, trade, quality of life, and city pride, it also supports MMoCA. Funds raised from Art Fair on the Square are essential as MMoCA continues to present and expand its exhibitions and programs. Education programs for area schools continue to bring teachers and students into the museum to provide a greater understanding of art principles and traditions. In addition, the museum continues off-site programs such as the on-line permanent collection exhibit and the celebrated Art Cart which catered to over 3,500 children from the Madison community last year.

## ABOUT THE EVENT ORGANIZER

## PURPOSE OF THE EMERGENCY ACTION PLAN

**A.** This emergency action plan predetermines actions to take before and during the “Art Fair on the Square” (aka the event) in response to an emergency or otherwise hazardous condition. These actions may be taken by the organizers, staff/management, personnel, and attendees. These actions represent those required prior to the event in preparation for—and those required during— an emergency.

**B.** Flexibility will be exercised when implementing this plan because of the wide variety of potential hazards that exist for all outdoor events. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

**C. ASSUMPTIONS:** The possibility of an occurrence of an emergency is present at any outdoor event. The types of emergencies possible are various and could require the response of Fire, Emergency Medical Services, and Police.

**D.** This action plan reflects the following priorities:

1. Life safety and minimizing harm
2. Incident stabilization
3. Property preservation

## ORIGINS OF THE EMERGENCY ACTION PLAN

This emergency action plan was prepared in March-May, 2013 by Annik Dupaty, Director of Events and Volunteers at MMoCA, in response to a request from the City of Madison Fire Department to revise and expand its safety and security plan for the fair. Per the suggestion of the City of Madison Fire Department, this plan incorporates elements of FEMA’s *Incident Command System*.

### General Event Access for Persons with Disability

The event takes place in city streets. MMoCA Staff ensures that vendors' booths do not block access ramps between sidewalks and streets, so that persons with a disability can access and move around the event. Also, because the streets leading into and out of the square are only partially blocked (with non-permanent barricades), in an emergency, persons with a disability are able to leave the venue without significantly impeding the movement of other patrons.

### Restroom Access

MMoCA staff will have knowledge of the following (also available at Information Booths and headquarters):

1. The Capitol Building, the Wisconsin Historical Museum, and restaurants around the square offer accessible stalls.
2. The Capitol Building is wheelchair accessible at several entrances: Martin Luther King Blvd, King Street, East Washington Avenue, South Hamilton Street, Wisconsin Avenue, State Street, West Washington Avenue, and North Hamilton Street.
3. The Capitol building has several elevators and wheelchair accessible restrooms: Women's - 2 South, 101 South; Men's - 23 South, 30 East, 100 West; Unisex - 31 East; Accessible with power assisted door.
