Hello fellow Plan Commissioners,

I'm writing ahead of this evening's meeting to express support as the alder of District 3 for the proposals for 5818 Gemini Drive and 5817 Halley Way. It was no surprise that the Urban Design Commission granted final approval to both of these at their recent meeting. I am hopeful these will remain on consent. Both proposals will be beneficial for the neighborhood, and the senior multifamily will allow neighbors to age in place in their own neighborhood and community. Oak Park Place has long been a very good neighbor and an asset to Grandview Commons. We had a virtual neighborhood meeting on both of these proposals and I have only received supportive comments from the community.

Thank you,

Lindsay
