12. There is a proposed offsite connection to Driscoll Drive that will be part of this development. Provide a Map Exhibit and a Description of the Lands needed in a Declaration of Dedication over the adjacent City owned Public Greenway lands. Prior to final approval sign-off by the Office of Real Estate Services ("ORES"), the Owner's Certificate(s) on the CSM shall be executed by all parties of interest having the legal authority to do so, pursuant to Wis. Stats. 236.21(2)(a). Said parties shall provide documentation of legal signing authority to the notary or authentication attorney at the time of execution. The title of each certificate shall be consistent with the ownership interest(s) reported in the most recent title report. When possible, the executed original hard stock recordable CSM shall be presented at the time of Office of Real Estate Services (ORES) approval sign-off. If not, the City and the Register of Deeds are now accepting electronic signatures. A PDF of the CSM containing electronic signatures shall be provided to ORES to obtain approval sign-off.

32. Prior to CSM approval sign-off, an executed and notarized or authenticated certificate of consent for all mortgagees/vendors shall be included following the Owner's Certificate(s). If a mortgage or other financial instrument is reported in record title but has been satisfied or no longer encumbers the lands or ownership within the CSM boundary, a copy of a recorded satisfaction or release document for said instrument shall be provided prior to CSM approval sign-off.
33. If any portion of the lands within the CSM boundary are subject to an Option to Purchase or other Option interest please include a Certificate of Consent for the option holder and executed prior to CSM sign-off.
34. Per 236.21(3) Wis. Stats. and MGO Section 16.23(4)(f), the property owner shall pay all real estate taxes that are accrued or delinquent for the subject property prior to CSM recording.
35. All known special assessments are due and payable prior to CSM approval sign-off pursuant to MGO Section 16.23(4)(f).
36. Pursuant to MGO Section 16.23(4)(f), the owner shall furnish an updated title report to the ORES as well as the survey firm preparing the proposed CSM. The report shall search the period subsequent to the date of the initial title report submitted with the CSM application and include all associated documents that have been recorded since the initial title report. A title commitment may be provided, but will be considered only as supplementary information to the title report update. The surveyor shall update the CSM with the most recent information reported in the title update. ORES reserves the right to impose additional conditions of approval in the event the title update contains changes that warrant revisions to the CSM.

Note: The Office of Real Estate Services is still reviewing the CSM and title report and may have additional comments to be addressed prior to final sign-off and recording of the CSM.

Specific questions regarding the comments or conditions contained in this letter should be directed to the commenting agency.

A resolution approving the Certified Survey Map and authorizing the City to sign it and any other documents related to the CSM will be reviewed by the Common Council at its January 28, 2025 meeting.

Approval of this Certified Survey Map does not include any approval to construct new buildings on the subject site. A letter with the conditions of approval for the related development of the site was sent separately.

In order to commence the process for obtaining the necessary City signatures on the Certified Survey Map, the applicant shall e-mail the revised CSM, updated title report, and any other materials required by reviewing agencies to the reviewing planner. The reviewing planner will share the updated materials with the relevant commenting City agencies for them to verify that their conditions have been satisfied and that the secretary or designee may sign the Plan Commission approval certificate. Once the Plan Commission certificate is executed, the Planning Division will make the City Clerk's Office aware that the Common Council certificate may be executed.

Once all of the necessary City signatures have been affixed to the Certified Survey Map, the instrument may be recording at the Dane County Register of Deeds Office. For information on recording procedures and fees, please contact the Register of Deeds at (608) 266-4141.

Any appeal from this action, including the conditions of approval, must be filed with the Circuit Court within 30 days from the date of this letter. **The approval of this CSM shall be null and void if not recorded in twelve (12) months from the date of the approving resolution or this letter, whichever is later.**
