## STREET EVENT SITE MAP

To ensure proper review of the event, please attach a Street Event Site Map and a detailed route map (if applicable). Include the following location information if application to your event:

- Tents
- Stages
- Fencing
- Vendors
- Portable Toilets
- Dumpsters
- Staging Areas

Remember to include:

- Emergency vehicle access lanes (minimum of 20').
- Accessible paths for wheelchairs as well as disabled parking spaces.

### EVENTS INCLUDING A RUN, WALK OR PARADE

If an event has a run/walk/parade component and/or alcohol will be served or sold, the Street Use Permit Applicant must contact the Madison Police Department to discuss possible Police requirements for the event. Contact Lt. Trevor Knight, [tknight@cityofmadison.com](mailto:tknight@cityofmadison.com).

A detailed route map is required if the street closure is for a run, walk, parade or other moving activity.

- A helpful online resource for route mapping is [Map My Run](#).

**Provide Detailed Event Site Map:**

Red line = border

Yellow boxes = food vendor/student org tents

Blue box = stage

Green box = dumpster

## STREET EVENT CLEANUP AND RECYCLING PLAN

- Include plans for collection and disposal of materials during and after event - number and location of garbage/recycling containers and dumpsters; number/schedule of volunteers/staff assigned to collection and cleanup.
- If City containers are not used, please provide the name and contact information of the collection agency providing equipment and service for the event.
- Event organizers are responsible for emptying City garbage/recycling containers within the event perimeter.
- Any group that leaves an area in a condition that requires special cleanup by City crews will be charged the full cost of cleanup.
- If you need assistance with your cleanup and recycling plan, please contact the [City of Madison's Recycling Office](#), via [email](#) or at (608) 267-2626.

### ***Provide Detailed Trash/Recycling/Cleanup Plans:***

We will be using trash and recycling containers from We Conserve. The containers will be spread amongst the event area so attendees will be able to dispose of their garbage properly. These cans will be emptied and ultimately brought to dumpsters on site as well as behind the Wisconsin Alumni Association. We will use around 20 trash containers and we will have around 50 volunteers on site.

# EMERGENCY ACTION PLAN (EAP)

## I. GENERAL

The "LAKE STREET BASH" will be held APRIL 27, 2018 at 600 N BLOCK OF LAKE STREET AND MENDOTA COURT.

## II. PURPOSE

- A. This emergency action plan predetermines actions to take before and during the "LAKE STREET BASH" (hereinafter referred to as the event) in response to an emergency or otherwise hazardous condition. These actions will be taken by organizers, management, personnel, and attendees. These actions represent those required prior to the event in preparation for and those required during an emergency.
- B. Flexibility must be exercised when implementing this plan because of the wide variety of potential hazards that exist for this event. These hazards include, but are not limited to, Fire, Medical Emergencies, Severe Weather, or situations where Law Enforcement is required.

## III. ASSUMPTIONS

The possibility of an occurrence of an emergency is present at this event. The types of emergencies possible are various and could require the response of Fire & Rescue, Emergency Medical Services, and Police.

## IV. BASIC PLAN

### A. Emergency Action Plan (EAP) Event Representative

- 1. The EAP event representative will be identified as the point of contact for all communications regarding the event. This person is identified as PRIMARY CONTACT: MARTINA SARVER.

### B. Emergency Notification

- 1. In the event of an emergency, notification of the emergency will be through the use of 911. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.
- 2. We  will /  will not have on-site EMS ( )
- 3. We  will /  will not have on-site Police or Security ( )

### C. Severe Weather

- 1. Weather forecasts and current conditions can be monitored through the [National Weather Service's Madison Weather Forecast website](#).
- 2. Before the event - If severe weather is predicted prior to the event, the EAP event representative will evaluate the conditions and determine if the event will remain scheduled. The EAP event representative or his/her designee will be identified as such MARTINA SARVER and will be responsible to monitor the weather conditions before and during the event.
- 3. During the event - If severe weather occurs during the event, the EAP event representative or his/her designee MARTINA SARVER will make notification to those attending the event that a hazardous weather condition exists and direct them to shelter.
- 4. There are very limited provisions for sheltering participants in the event of severe weather.
- 5. This event will follow the 30-30 Rule for lightning. If lightning is observed and thunder is heard within 30 seconds, the event will be delayed until 30 minutes have passed since thunder was last heard.

### D. Fire

- 1. If a specific hazard has been identified as an increased risk of fire at this event, event manager will work with the Fire Department to determine how to address the hazard.
- 2. All event staff will be instructed on the safe use of Portable Fire Extinguishers.
- 3. If cooking is intended, you must contact the fire department and -

- a) Must have a valid fire extinguisher, 2A10BC
- b) Each space is allowed 1 LP tank per cooking device. All LP tanks are to be secured in an approved manner (tied, strapped, chained, etc.)
- c) No cooking shall be allowed under a tent. Cooking shall be a minimum of 20' away from tents/canopies.
- d) Cooking must be on a non-combustible surface (grease collection material generally required under cooking and food service areas)
4. Fire Inspectors may be required to do an inspection of your event (depends on size and nature of the event), contact the Fire Department for guidelines
5. All tents/canopies used for cooking shall have a FLAME SPREAD Certification attached to the tent.
6. Should an incident occur that requires the Fire Department, 911 will be utilized to request this resource. The caller should have the following information available to the 911 operator: nature of emergency, location, and contact person with callback number.

**E. Medical Emergencies**

1. As with any outdoor event, there is potential for injury to the participants. The types of injuries are various and include those that are heat related as well as traumatic injuries.
2. Event manager shall contact the Fire Department to determine if there is a need for on-site Emergency Medical Services at this event.
3. Should an incident occur that requires Emergency Medical Services to be called to this event, the caller will have the following information available to give to the 911 Center:
  - a) nature of emergency
