RE: Approval of a conditional use for the construction of a detached garage on a waterfront lot at 2830 Waunona Way.

Dear Mr. Cooner:

The Plan Commission, meeting in regular session on January 28, 2008 determined that the ordinance standards could be met and **approved** your client's conditional use request subject to the conditions below. In order to receive final approval of the conditional use and for the conditional use to be in effect, the following conditions must be met and this letter signed and returned to the Zoning Administrator:

Please contact Janet Dailey, City Engineering, at 261-9688 if you have questions regarding the following item:

1. Revise the plan to include an accurate location and dimensions of both the existing and the proposed garage. Clarify whether the entire existing foundation is proposed to be moved 1.2 feet to the east, or is it being proposed to add 1.2 feet of garage toward the east.

Please contact Matt Tucker, Zoning Administrator, at 266-4551 if you have questions regarding the following item:

2. Provide a minimum of 6 feet of side yard and 30 front yard setback for the detached garage.

Please contact Scott Strassburg, Madison Fire Department, at 261-9843 if you have questions about the following item:

3. As required by MGO 10.34 and IFC 505.1, all residential and commercial buildings must have the approved address posted. The address numbers shall be 4 inches in height, numbers shall be in contrast to the background and visible from the street.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please revise your plans per the above and submit **six (6) copies** of a complete plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off.

- 2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition and/or building permit approval.
- 3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved demolition permit.

If you have any questions regarding obtaining the conditional use approval, please contact the Zoning Administrator at 266-4551. If you have any questions or if may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use.
