Re: Certificate of Appropriateness for 1108 Jenifer Street

At its meeting on February 29, 2016 the Madison Landmarks Commission reviewed, in accordance with the Madison General Ordinances pertaining to provisions of the Historic Preservation Ordinance, your plans to alter the exterior of the residence located at 1108 Jenifer Street in the Third Lake Ridge Historic District. The Landmarks Commission voted to approve the issuance of a Certificate of Appropriateness for the replacement of windows on the side elevations and rear elevation with the following conditions of approval:

1. The Applicant shall repair all existing windows on the front elevation.
2. The Applicant shall work with staff on outstanding issues as they arise related to this approval.

This letter will serve as the "Certificate of Appropriateness" for the project. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, Lower Level Suite LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.

Please note that any major design changes from the plans submitted and the additional information provided to the Landmarks Commission must receive approval by the Landmarks Commission, or staff designee, prior to the issuance of the building permit. This Certificate is valid for 24 months from the date of issuance.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$250 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Chapter 41, Historic Preservation Ordinance).

Please contact me (608-266-6552 or ascanlon@cityofmadison.com) with any questions.

Sincerely,
