

ALRC,

I have spoken with the Agent for the license and talked through the proposed changes. MPD Central District does not have any concerns with the proposed changes. I did speak to Mr. Shinnick in reference to a 21+ entertainment license for activities such as receptions with bands which would also be agreeable to the Central District.

We would ask for the standard condition for the license to meet the definition of a restaurant during all hour of operations.

Carl Gloede
