Dear Jim Verbick,

We are writing I support of the alcohol license renewal for ZuZu café. We live one block from Zuzus and have been frequent customers since its opening. The owners have a strong sense of community and this shows in how the restaurant is operated. We have met many friends for dinner and a glass of wine and have enjoyed the relaxed welcoming environment. We understand that the license is being reviewed because ZuZu café wants to add swing dancing to its list of events. We also support this endeavor. The dancing would be another way in which the café helps build community. ZuZu café has been a tremendous value to the community and we would love to see this continue and grow.

Best,
