Re: Certificate of Appropriateness for 917 E Mifflin Street, Breese Stevens Field

At its meeting on September 15, 2014, the Madison Landmarks Commission reviewed, in accordance with the Madison General Ordinances pertaining to provisions of the Landmarks Ordinance, your plans to repair the terra cotta roof tiles at Breese Stevens Field located at 917 E Mifflin Street. At that meeting, the Landmarks Commission voted to approve the issuance of a Certificate of Appropriateness for the repairs as submitted.

This letter will serve as the "Certificate of Appropriateness" for the project. When you apply for a building permit, take this letter with you to the Building Inspection Counter, Department of Planning and Development, Lower Level Suite LL-100, Madison Municipal Building, 215 Martin Luther King, Jr. Boulevard.

Please note that any design changes from the plans submitted must receive approval by the Landmarks Commission, or staff designee, prior to the issuance of the building permit.

Please also note that failure to comply with the conditions of your approval is subject to a forfeiture of up to \$250 for each day during which a violation of the Landmarks Commission ordinance continues (see Madison General Ordinances Sec. 33.19).

Please contact me with any questions (266-6552 or [ascanlon@cityofmadison.com](mailto:ascanlon@cityofmadison.com)).

Sincerely,

Amy Loewenstein Scanlon, Registered Architect
