Title of Resolution or Ord. Amd.:

AUTHORIZING ACCEPTANCE OF A GRANT AND APPROVAL TO ENTER INTO AN AGREEMENT WITH ADAMS COUNTY FOR THE MATERNAL, INFANT, AND EARLY CHILD HOME VISITING (MIECHV) PROGRAM TO SUPPORT THE PUBLIC HEALTH MADISON & DANE NURSE FAMILY PARTNERSHIP (NFP) PROGRAM

**Policy Analysis Statement:**

**Brief Description of Proposal-** PHMDC desires to receive a grant and enter into an agreement with Adams County for the federally administered Maternal, Infant, and Early Child Home Visiting (MIECHV) program to support the PHMDC Nurse Family Partnership (NFP Program). Until this year, Dane County has not been eligible to receive MIECHV funding. Starting with the October 2015-September 2016 funding cycle, the criteria determining eligibility for MIECHV changed, making Public Health Madison & Dane County eligible for the first time. A caveat to this change in criteria however, was that funding for additional MIECHV support could only be administered by an organization with whom DCFS currently has a MIECHV contract.

**Current Policy or Practice-**

Acceptance of grants requires approval of the county Board.

**Impact of Adopting Proposal-** Creation of a 1.0 project position, MCH Navigator, in range P5 (contingent on continued grant support), with 2016 salary range of \$22.11-28.46. MCH Navigator will be responsible for supporting enrollment in appropriate PHMDC nurse home visiting programs and conduct outreach to support outreach and education to partners about NFP as an option for those who may be eligible for NFP services.
