RE: Approval of a conditional use to allow construction of an addition to a detached garage in excess of 576 square feet in a property zoned R2 at 802 N. Fair Oaks Avenue

Dear Mr. York and Ms. Bowman:

The Plan Commission, meeting in regular session on July 7, 2008, determined that the ordinance standards could be met and **approved** your request for a conditional use to allow construction of an addition to a detached garage in excess of 576 square feet in a property zoned R2.

Please now follow the procedures listed below for obtaining your conditional use:

1. Please provide per the above and submit **three (3) copies** of the final complete plan set to the Zoning Administrator for final review and comment. Also be sure to include any additional materials requested by these departments for their approval prior to sign off.
2. This letter shall be signed by the applicant to acknowledge the conditions of approval and returned to the Zoning Administrator when requesting demolition and/or building permit approval.
3. No alteration of this proposal shall be permitted unless approved by the Plan Commission, provided, however, the Zoning Administrator may issue permits for minor alterations. This approval shall become null and void one year after the date of the Plan Commission unless the use is commenced, construction is under way, or a valid building permit is issued and construction commenced within six months of the issuance of said building permit. The Plan Commission shall retain jurisdiction over this matter for the purpose of resolving complaints against the approved demolition permit.

If you have any questions regarding obtaining your demolition or building permits, please contact the Zoning Administrator at 266-4551. If you have any questions or if I may be of any further assistance, please do not hesitate to contact my office at 267-1150.

Sincerely,

Kevin Firchow, AICP
Planner

cc: Pat Anderson, Assistant Zoning Administrator

I hereby acknowledge that I understand and will comply with the above conditions of approval for this conditional use.
