

2026 – Public Safety Update

Chief John Patterson
Assistant Chief Angela Kamoske

Stratified Policing Update

- Data informed model for crime prevention and crime reduction that incorporates accountability throughout the organization.
- Chief sets focal crimes and annual crime reduction goals (homicides, subjects struck by gunfire, burglaries, stolen autos, and theft from autos---5% each)
- Priority areas, problem locations, repeat calls for service, and crime patterns (MTHS)
- Micro-time hotspots: 4 focal crimes in 14 days within .25 miles (burglaries, stolen autos and theft from autos)

Crime Prevention Strategies

- Partnership with the VPU
- Foot and high-visibility patrol
- Koper Patrol---random and intermittent (10-15 mins every 2-hours)
- POP (for problem locations)
- Community Outreach
- Flyers/leaflets (burglaries and stolen autos)

Stolen Auto Notification Form

A VEHICLE WAS RECENTLY STOLEN IN YOUR NEIGHBORHOOD

Date of occurrence _____ Probable time frame of occurrence _____

THE PURPOSE OF THIS FLYER IS TO:

- Make you aware of this recent stolen auto in your neighborhood
- Advise you that thieves may sometimes target nearby residents
- Ask that you check any surveillance cameras for any potential footage related to this incident
- Provide you tips and strategies to avoid becoming a victim of a stolen vehicle

Accountability

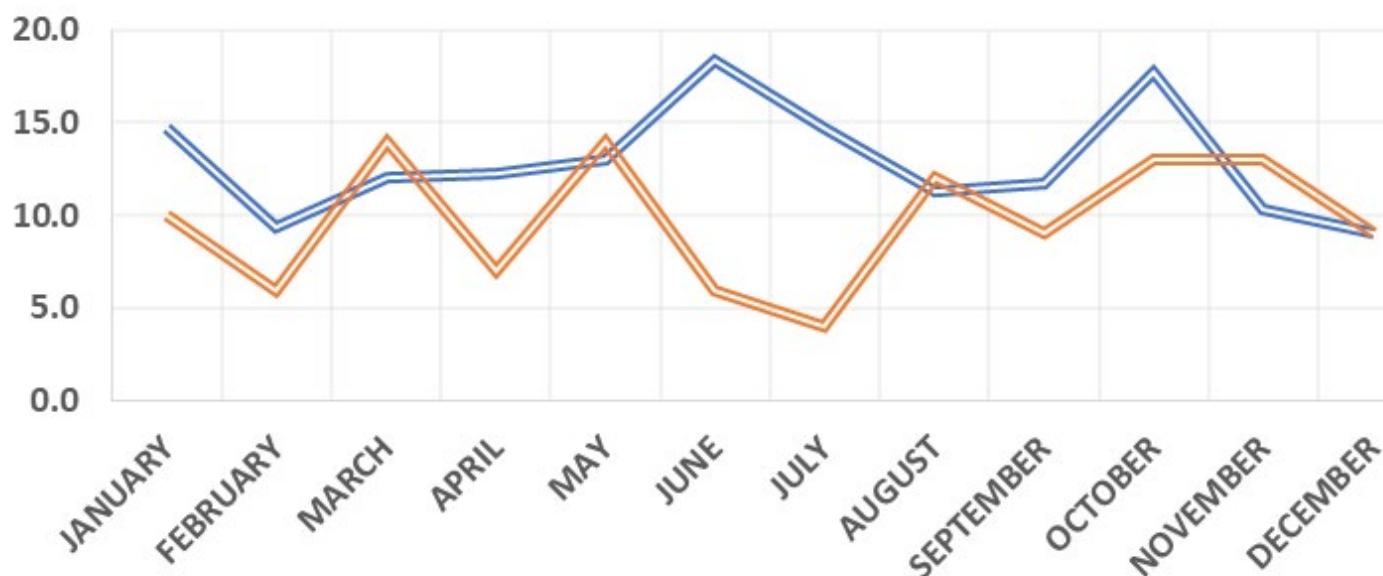

- Tracking/assessment of activity
- Intentional direction of resources based on crime data
- Deliberate strategies
- Every level of the organization is involved from officers, detectives, sergeants, lieutenants, captains, assistant chiefs, chief
- Regular meetings: weekly, bi-weekly, and monthly
 - Public Health attends these monthly meetings and actively participates
