Hello,

My wife and I are new homeowners at 1102 Merrill Springs Road. We heard from our neighbors that there may be a future road improvement project involving the streets our house borders, Merrill Springs Rd and Risser Rd. We would like more information about the anticipated road improvement plans, such as any plans to build sidewalks or storm drainage. We anticipate making some landscape improvements on our property, so we wanted to ensure we have the full picture. If this topic has been discussed previously at commission meetings, could you direct us to past meeting minutes?

Thank you so much,

Sincerely,  
Michio Taya
