DRAFTER'S ANALYSIS: This ordinance creates a license requirement for keeping honeybees and amends various portions of Chapter 28 to allow the keeping of honeybees in the conservancy, agriculture, and residential districts.

The Common Council of the City of Madison do hereby ordain as follows:

1. Sec. 9.53 entitled "Keeping of Honeybees" of the Madison General Ordinances is created to read as follows:

"9.53 KEEPING OF HONEYBEES.

Any person who keeps honeybees in the City of Madison shall obtain an annual license prior to January 1 of each year, or within thirty (30) days of acquiring the honeybees. The license year commences on January 1 and ends on the following December 31.

Application shall be made to the City Treasurer and the fee for the license shall be ten dollars (\$10.00).

The Treasurer or other authorized individual shall collect the fee and shall assess and collect a late fee of five dollars (\$5.00) from every owner of honeybees, if the owner fails to obtain a license prior to April 1 of each year, or fails to obtain a license within thirty (30) days of acquiring the honeybees. All the late fees received or collected shall be paid into the local Treasury.

The Zoning Administrator may revoke a license if there are three (3) or more violations within any six- (6) month period of this or any ordinance in Chapter 28, MGO, regulating the keeping of honeybees."

2. Paragraph 5. of Subdivision (b) entitled "Permitted Uses" of Subsection (2) entitled "Conservancy District" of Section 28.07 entitled "Special Districts" of the Madison General Ordinances is created to read as follows:

"5. Keeping of honeybees, provided that:

- a. No hive shall exceed ten (10) cubic feet in volume.
- b. No hive shall be located closer than fifteen (15) feet from any property line.

Approved as to form:

- c. No hive shall be located closer than forty (40) feet from a public sidewalk or a principal building on an abutting lot.
- d. A constant supply of water shall be provided for all hives.
- e. On all lots where hives are located within twenty-five (25) feet of a property line, a flyway barrier shall be located parallel to the property line and shall be at least six (6) feet in height and extend at least ten (10) feet in each such parallel direction from the hive. The barrier shall consist of a wall, fence, dense vegetation, or a combination thereof.
- f. The owner, operator, or tenant obtains a license under Sec. 9.53, MGO.
- g. The applicant for the license notifies all residents of the property and the owner or operator of the property if the applicant is not the owner or operator. Notification is not required for renewal of a license.”
