**Assessment Policy**

No assessments

**Cost Sharing**

The City of Middleton will pay for 25% of the project costs because 1/4 of the intersection is in the C/Middleton and the new apt. complex will generate more traffic at an intersection where residents are already concerned about traffic volumes and potential accidents. This is a interim improvement pending the expansion of Pleasant View Road to 4 lanes.

**Schedule**

Start Date	18-Jul-16
Length of Project	4-6 weeks

**Traffic**

Traffic Engineering is still looking at options--possible closing the intersection in order get the work done faster.

**Real Estate Requirements**

Not Required
