

Regarding: **3255 Monroe Street – UW Arboretum – bike path repaving project near Wheeler Council Ring (also Legistar 21923). (Legistar #22245)**

Date: May 9, 2011
Prepared By: Amy Scanlon

General Information:

The Board of Public Works suggested that the Landmarks Commission review the the bike path repaving project near the Wheeler Council Ring at the University of Wisconsin Arboretum.

The Wheeler Council Ring is located on University property and is not a designated landmark.

Staff Comments:

Staff believes that the bike path repaving project will not adversely affect the historic Wheeler Council Ring and recommends a favorable review by the Landmarks Commission.
