PERMANENT FILE NO. 25759

Subject: BUCKEYE MEADOWS  
NW 1/4 S 15 T7N R10E  
CITY OF MADISON, DANE COUNTY

Dear Mr. Fisher:

This plat has been submitted for review. One of the purposes of the review process is to ensure that provisions have been made for wastewater treatment. The surveyor indicated on the plat submittal form that public sewer will be made available to all of the lots in this subdivision.

If private on-site wastewater treatment systems will be used instead of public sewer, the systems must comply with the requirements of the local ordinance and the rules of the Department of Commerce.

There is no need to respond to this letter. If you have any questions regarding this review, please contact our office at the number listed below. If you have any questions regarding private on-site wastewater treatment systems, please contact Allen C Wendorf, Department of Commerce, at (608) 873-5476 or [awendorf@commerce.state.wi.us](mailto:awendorf@commerce.state.wi.us).

Sincerely,

cc: Surveyor
